Advertising; business management; business administration; office functions. Explanatory Note Class 35 includes mainly services rendered by persons or organizations principally with the object of: (1) help in the working or management of a commercial undertaking, or (2) help in the management of the business affairs or commercial functions of an industrial or commercial enterprise, as well as services rendered by advertising establishments primarily undertaking communications to the public, declarations or announcements by all means of diffusion and concerning all kinds of goods or services. This Class includes, in particular: – the bringing together, for the benefit of others, of a variety of goods (excluding the transport thereof), enabling customers to conveniently view and purchase those goods; such services may be provided by retail stores, wholesale outlets, through mail order catalogues or by means of electronic media, for example, through web sites or television shopping programmes; – services consisting of the registration, transcription, composition, compilation or systematization of written communications and registrations, and also the compilation of mathematical or statistical data; – services of advertising agencies and services such as the distribution of prospectuses, directly or
through the post, or the distribution of samples. This Class may refer to advertising in connection with other services, such as those concerning bank loans or advertising by radio.
