Cl.9; Magnetic data carriers, recording discs; compact discs, DVDs and other digital recording media; mechanisms for
coin-operated apparatus; cash registers, calculating machines, data processing equipment, computers; computer
software; video games software for mobile devices, personal computers, consoles and tablets; electronic game
programs; downloadable electronic game programs; electronic game software; computer game programs; downloadable
computer game programs; interactive game programs; interactive game software; cinematographic apparatus; protective
carrying cases specially adapted for phones and handheld computers; computer operating programs, recorded;
computer software, recorded; computer programmes [programs], recorded; computer programs [downloadable software];
computer software applications, downloadable; computer keyboards; digital photo frames; headphones; microphones; mouse
pads; smartphones; USB flash drives; computer software in the nature of an application programming interface which
facilitates online services for social networking, building social networking applications and for allowing data retrieval,
upload, download access and management; computer software to enable uploading, downloading, accessing, posting,
displaying, tagging, blogging, streaming, linking, sharing or otherwise providing electronic media or information via
computer and communication networks.

Cl.16; Paper, cardboard and goods made from these materials, not included in other classes; printed matter;
photographs; stationery; adhesives for stationery or household purposes; artists” materials; paint brushes; instructional
and teaching material (except apparatus); plastic materials for packaging (not included in other classes); printers” type;
printing blocks; booklets and manuals regarding video games; books in the field of video games; calendars, children”s
books, comic books, address books, calendars, children’s books, comic books, address books, coloring books and activity books; book covers; bookmarks; erasers, gift wrapping paper, gift boxes made of cardboard, invitation cards, magazines regarding games, memo pads, note pads, notebooks;
paper napkins, party decorations made of paper, paperback books, pencil sharpeners, pens and crayons, picture
storybooks, posters, postcards, ring binders, rubber stamps, scratch pads, paper staplers, stationery-type portfolios and
folders, sticker albums, stickers, trading cards; general purpose plastic bags; paper dishes; protective covers for
notebooks; date books; blank books; diaries; desk pads; clip boards; letter openers; greeting cards; photo albums; paper
banners.

Cl.21; Coffee mugs; coasters; bottle openers; serving trays; waste paper baskets; food and beverage containers made
of glass and pottery material; game boxes and containers made of brass and laser etched wood.

Cl.25; Clothing, namely, hats, socks, shoes, dresses, suits, skirts, pants, jackets, shirts, sweaters, T-shirts, tank tops, t-
dresses, jogging suits, pajamas, shorts sets, underwear, knit tops; headwear; footwear; aprons; swimwear, swimsuits,
bathing suits; gloves; mittens; belts; babies” clothing; jumpers; bibs, not of paper; bath robes; suspenders; caps, sun
visors; ear muffs; neckwear, neckties, cravats, bow ties; slippers; masquerade costumes; sandals; boots; coats; cuffs;
headbands; overcoats; parkas; scarves; shawls; wristbands; jeans; pants; blouses; robes; sneakers; overalls; ponchos;
rainwear; clothing of imitations of leather, namely, coats; clothing of leather, namely, shirts, pants, coats, dresses; collar
protectors; collars; detachable collars; paper clothing, namely, paper aprons, paper hats, paper shoes; paper hats, paper shoes; pockets for
clothing; teddies; vests; uniforms; underpants; leggings; hoodies.

Cl.28; Games and playthings; gymnastic and sporting articles not included in other classes; decorations for Christmas
trees; equipment for playing a board game, namely, playing board, dice, rules of play, question and answer cards, card
boxes, player tokens and scoring wedges sold both as a unit and separately; board games; electronic game equipment
for playing video games, namely, hand held units for playing video games other than those adapted for use with an
external display screen or monitor; non electric hand-held skill games, soft dolls, not for animals; puzzles; toy action
figures, not for animals; balloons and yo-yos; plush toys, not for animals; toy figures attachable to pencils; plush toys
that connect to belts by a hook; non-articulated pvc figures; rubber balls; bags especially designed for skis and
surfboards; chips for gambling; cups for dice; paper party hats; playing cards; puppets; marionettes; skateboards; snowboards; teddy bears; toy masks; video game machines; interactive games; apparatus for games adapted for use with television receivers; paper party hats; playing cards.

Cl.35: Marketing, advertising and promotion services; dissemination of advertising for others via computer and communication networks; promoting the goods and services of others via computer and communication networks; advertising and marketing services provided by means of indirect methods of marketing communications, namely, social media, search engine marketing, inquiry marketing, Internet marketing, mobile marketing, blogging and other forms of passive, sharable or viral communications channels; market research and market information services; online service for connecting social network users with businesses; business monitoring and consulting services, namely, providing strategy, insight, marketing guidance, and for analyzing, understanding and predicting consumer behavior and motivations, and market trends.

Cl.38: Computer services, namely, providing online facilities for real-time interaction between and among users of computers, mobiles and handheld computers, and wired and wireless communication devices concerning topics of general interest; providing access to computer, electronic and online databases; providing online forums for communication, namely, transmission on topics of general interest; providing online communications links which transfer web site users to other local and global web pages; providing online chat rooms and electronic bulletin boards for transmission of messages among users in the field of general interest; providing online community forum for users to share information, photos, audio and video content about themselves, their likes and dislikes and daily activities, to get feedback from their peers, to form virtual communities, and to engage in social networking.

Cl.41: Education; providing of training; entertainment; sporting and cultural activities; providing entertainment information in the fields of electronic game programs, electronic game products, and electronic game programs and products through a web site; television programs in the field of entertainment; entertainment services in the nature of creation, development, and production of films, animation or animated films; entertainment services, namely, providing an on-line interactive trivia computer game that may be accessed network-wide by network users; entertainment services in the nature of conducting interactive trivia question and answer games, and interactive critical thinking question and answer games in bars, pubs, restaurants and entertainment establishments whereby individuals or teams of players compete against one another for prizes; amusement parks; club services [entertainment or education]; education information; educational examination; game services provided on-line from a computer network; operating lotteries; publication of books; providing entertainment services via computer, electronic and online databases; providing and publication of on-line journals, namely, blogs featuring user-defined content in the field of social networking; electronic publishing services, namely, publishing of online works of others featuring electronic media, multimedia content, videos, movies, pictures, images, text, photos, user-generated content, and related information via the Internet and other communications networks on topics of general interest.

Cl.42: Scientific and technological services and research and design relating thereto; industrial analysis and research services; design and development of computer hardware and software; computer programming; computer software design; graphic arts design; software as a service; designing and hosting a web site featuring technology that enables online users to create personal profiles featuring social networking information and to transfer and share such information among multiple web sites; providing information on topics of general interest from searchable indexes and databases of information, including text, electronic documents, databases, graphics and audio visual information, on computer and communication networks, namely, provision of search engines for the Internet; designing and hosting a web site that gives users the ability to upload photographs; computer services, namely, designing and hosting an interactive web site featuring technology that allows users to manage their online photograph and social networking accounts; hosting on-line web facilities for others for managing and sharing on-line content; providing information from searchable indexes and databases of information; providing search engines for obtaining data via communications networks; computer services, namely, creating virtual communities for registered users to participate in discussions and engage in social, business and community networking; computer services, namely, hosting online web facilities for others for organizing and conducting meetings, events and interactive discussions via communication networks; application service provider services, namely, hosting computer software applications of others.

Cl.45: Internet-based social networking services allowing users to communicate and share, store, transmit, view, and download text, images, audio and video content, and other multimedia materials; online social networking services; providing a social networking website for entertainment purposes.

Cl.7; Bending machines; bending presses; stamping machines; presses (machines for industrial use); straighteners; deep-drawing presses; molding machines; drills; drilling heads (parts of machines); chisels for machines; engraving machines; milling machines; hole punching machines; stamping machines; saws (machines); cutting machines; cutting machines (cutters); lathes; electric generators; coils for machines; control apparatus for machines, motors or engines; controllers (machine parts); filtering machines; filters (parts of machines, motors or engines); pumps (machines); pumps (parts of machines, motors or engines); pump diaphragms; sludge collectors (machines); vacuum pumps (machines); guides for machines; bearings (parts of machines); machine housings; machinery gears; machine stands; machine tables; machine shafts; tools (parts of machines); tool holders (parts of machines); roller bearings; chucks (parts of machines); machine bearings; gas-operated cutting torches; plasma cutting and welding machines; gas-operated welding apparatus; gas-operated welding machines; glass-working machines; machine tools for glass processing, namely for the manufacture of structural glazing and glazing and glass plates for land vehicles and aircraft; glass cutting machines; lifting platforms; lifting apparatus; elevating apparatus; loading equipment, namely for installations for transport and storage of raw materials and semi-finished and finished parts; automatic magazines; mechanical storage installations; hydraulic motors and engines; hydraulic drives for machines, motors and engines; pneumatic drives for machines, motors and engines; cylinders for machines; cylinder pistons; electric arc cutting apparatus; electric arc welding apparatus; welding apparatus (electric); welding machines (electric); automatic welding machines (electric); machinery for the textile industry; machinery for the sugar industry; machinery for making pasta; machinery for the food industry; metal processing machines; machine tools; robots (machines); machine tools for beam machining of workpieces; water jet cutting machines; laser cutting machines; accessories and auxiliary equipment (machines and machine parts) for beam machining of workpieces, spare parts for these items; parts and accessories of the above machines and tools, included in this class, in particular machine tools, handling devices; spare parts for machines.

Cl.8; Drills; borers; mills (hand tools); pipe cutting tools; threading tools; shears; scissors (sheet metal shears); shear blades; shearing tools (hand-operated); cutting tools; grinding implements (hand tools); dies (hand tools); scraping tools; hand-operated tools; parts and accessories of hand-operated tools, included in this class.

Cl.9; Anodes; cathodes; transformers to increase the voltage; distance measuring apparatus; range finders (telemeters); distance measuring equipment; measuring machines, measuring apparatus and instruments; frequency meters; speed indicators; length meters; goniometers; computers; computer operating programs (recorded); computer programs (recorded); computer programs (downloadable); computer software (recorded); data processing apparatus; data transmission devices; USB flash drives; electronic publications (downloadable); data input and display apparatus; screens; video projectors; monitors (computer hardware); monitors (computer programs); interfaces (interface apparatus or programs for computers); holograms; control devices for loading apparatus; numerical controls for machine tools; electronic controllers; sensors, electrical and electronic apparatus for remote control of industrial operations; transmitters and receivers for electronic signals; detectors; dosing devices; pressure gages; pressure recorders; high-frequency apparatus; lasers not for medical use, particularly for material machining, marking lasers; light guides; laser sources, not for medical use; electrical, hydraulic, pneumatic and optical adjustment devices for lasers and laser beams; beam and mirror guides, positioning components, optical fiber components, facilities for beam and process forming as well as sensors for this purpose; objectives (lenses) (optics); optical fiber cables; optical lenses; lens hoods; prisms (optics); mirrors (optics); actinometers (beam meters); logs; magnifiers (optics); microphones; barcode readers; compasses (measuring instruments).

Cl.11; Hydraulic accumulators; ionization apparatus for the treatment of air or water; refrigeration installations and machines; refrigeration apparatus; cooling apparatus and installations; cooling apparatus and machines; cooling devices for lasers; regulating and safety accessories for gas apparatus; heat exchangers; water filtration apparatus; water cooling installations.
Cl.37: Installation and repair of electric apparatus; installation and repair of refrigerating apparatus; installation, maintenance and repair of machines; repair of pumps; installation of machine tools and associated auxiliary equipment; maintenance work on machine tools and laser installations; repair services; installation services to provide Internet access on machinery control systems and to provide Internet applications on machinery control systems; installation of hardware for Internet access.

Cl.40: Information about material processing; milling; engraving; cutting; water jet cutting; laser cutting; laser engraving; metal machining; sawing; sanding; welding; water jet machining; water treatment; trimming of materials on order (for others); material processing, namely identifying and marking; rental of machines for material machining; providing information in the field of material processing, especially of machine-specific information, on the Internet and on screen.

Cl.41: Recording of video recordings; demonstration lessons in practical exercises; on-line providing of electronic, non-downloadable publications; on-line publication of electronic books (and magazines); organization of fairs for cultural and entertainment purposes, conferences, congresses, meetings and symposiums; organization and conducting of seminars; organization and conducting of workshops (training); training in the operation and maintenance of machine tools; training in the creation of computer programs for machine tools; education and further training, in particular in the field of material processing, IT and business organization; organization of competitions; organization of exhibitions for courses; production of video films.

Cl.42: Updating of computer software; consultancy in the field of energy saving; computer software consulting; computer system analyses; design of computer software; design of computer systems; provision of engineering services; creation of programs for data processing; preparation of technical expert reports; research in the field of technology; research in the field of mechanical engineering; hosting of Internet sites; installation of computer programs; conversion of computer programs and data (other than physical conversion); copying of computer programs; testing of materials; quality control (tests); research and development services for others regarding new products; technical project planning; rental of computer software; maintenance of computer software; water analysis; recovery of computer data; scientific laboratory services; scientific and industrial research; technical development and engineering activities; preparation of computer programming aids and tools (programming tools) and programs for machine tools; monitoring, control, maintenance of machine software via data lines (teleservice), also via the internet, in particular remote control, remote malfunction diagnosis, troubleshooting, including remote programming of machine controls for troubleshooting, maintenance and installation of machinery control software, installation of firmware updates in machine controls for troubleshooting; development, installation, maintenance, copying, conversion, updating of computer programs and computer software including via the Internet; remote programming of machine controls; operation of online services in the field of machinery, namely, providing software via data lines/computer networks and providing information, namely machine-specific information on the Internet; providing machine control software on the Internet; project management and planning of telecommunication solutions in the field of machinery, particularly of telecommunication solutions for remote diagnostics of machine malfunctions as well as for machine maintenance using telecommunication technology; design and development of software for the control, regulation and monitoring of laser and water jet systems and press brakes; computer consulting, namely hardware and software consultancy; technical support relating to software, including technical project planning and technical project management; construction planning; scientific and industrial research, especially in the field of mechanical engineering; information technology services, namely project management and provision of Internet access on machine controls, as well as planning and provision of Internet applications on machine controls.

Cl.45: Licensing of computer programs and software.

Cl.9; Software; software for financial, statistical and operational performance analyses and related reports; software for data analytics; software for use in database management and analysis; software for mobile devices; software in the nature of reference texts and books in the field of law, insurance, finance, banking, accounting, medicine and science and technology; software for litigation support and ediscovery; downloadable practice management software in the field of law; downloadable electronic periodical publications, newsletters, magazines, journals, reviews, books and diaries; electronic devices, namely, electronic data loggers for monitoring, recording and reporting data pertaining to the location and operation of motor vehicles; software, namely, a mobile app for use in monitoring, recording and reporting data pertaining to the location and operation of motor vehicles; software for searching, verifying, locating and authenticating the identities of people and businesses; software for searching and verifying professional licenses of health care providers; software for searching names, business addresses, phone numbers, board certifications, licensing, legal standing, and criminal records; audio and video recordings.

Cl.16; Books, periodicals, newspapers, magazines, handbooks, prospectuses, newsletters, pamphlets, reviews, articles, journals, catalogs, brochures, agendas, citations, abstracts, thesauri and directories in the fields of law, insurance, accounting, finance, banking, science and technology, health sciences and medicine and scientific research.

Cl.35; Organizing, arranging and conducting of exhibitions, fairs and job fairs for commercial and advertising purposes; preparation, arranging and conducting of exhibitions, forums and events within the framework of professional exhibitions and business fairs; provision of information relating to professional exhibitions, fairs and exhibitions for use in the field of business and provision of materials in connection therewith; provision of commercial information and advice for business participants, visitors and exhibitors and provision of exhibitions and of materials in connection therewith; provision of business information in the fields of business and accounting; promotional services, marketing and advertising; advertising agencies; advertising on all multimedia carriers; provision of advertising space; direct mail advertising; distribution of advertising mail and material, including on electronic media or paper; networking services; provision of information relating to business networking services; public relations; advertising services in the field of personnel recruitment; advertising services, including advertising for employment vacancies, recruitment and retrieval of information; providing on-line database lists of classified advertisements and job vacancies; consultancy in the field of business management; professional business consultancy; provision of information relating to business management; business consulting services for statistical and operational performance analyses and related reports; arranging and conducting incentive programs to promote business services of others; arranging and conducting incentive and motivation programs for improving customer loyalty; collection and compilation in computer databases of commercial information and information in the fields of business and accounting; compilation and systemization of data in databases and business information in the fields of business and accounting; compilation of business directories; management and compilation of computerized databases; updating of data in computer databases; computerized file management; provision of information relating to on-line data and on the management of data.

Cl.36; Provision of insurance, banking and financial information; research and analysis in the fields of insurance, banking and finance; provision of online information relating to credit risk investigation and financial due diligence research; risk management services; risk assessment services; financial consultation, namely, determination of financial risk in commercial transactions by verifying identities and analyzing previously collected credit, personal, demographic and other information; provision of information for determining financial risk in commercial transactions; consulting in the fields of insurance, banking and financial services; consultancy in financial risk management; provision of databases
and websites featuring information in the insurance, banking and financial fields; insurance administration, namely, providing solutions for liability insurance reporting; conducting and analyzing commercial insurance loss control surveys; collecting and providing health information to insurers; electronic data processing and information services in the insurance fields for purposes of underwriting, fraud prevention and claims investigation.

Cl.38; Computer services, namely, providing online news and information related to wireless communications via a global computer network; streaming of video and audio content via a global computer network; provision of on-line chat rooms for transmission of messages among computer users concerning news, law, insurance, medicine, finance, accounting, and research.

Cl.39; Business advisory and management services in the field of transportation logistics.

Cl.41; Organizing, arranging and conducting of exhibitions, conferences, congresses, symposiums, colloquiums, seminars, lectures, conventions and workshops for cultural, educational or entertainment purposes; provision of educational, cultural and entertainment information relating to exhibitions, conferences, congresses, symposiums, colloquiums, seminars, lectures, conventions and workshops for cultural, educational or entertainment purposes; provision of information and advice in the area of education, culture and recreation for participants, visitors and exhibitors at exhibitions for cultural, educational or entertainment purposes; provision of materials relating to exhibitions, conferences, congresses, symposiums, colloquiums, seminars, lectures, conventions and workshops for cultural, educational or entertainment purposes; services in education and training, namely, conducting classes, seminars, conferences and training workshops; training and education services namely, mentoring; services in education and training, namely instructional courses; education and training services, namely, curriculum development for others; desktop publishing for others; publication of online non-downloadable electronic publications, namely magazines, periodicals, newspapers, manuals, prospectuses, newsletters, brochures, newspapers, journals (magazines), articles, catalogs, diaries, quotations and extracts; organization of ceremonies and award events.

Cl.42; Computer services; scientific and industrial research; providing information in the field of scientific, medical, biomedical, pharmaceutical, biological and molecular biology; design and development of databases; conversion of data or documents from a physical to an electronic medium; conversion of computer programs and data (except physical conversion); computer programming; development, updating, maintenance and management of computer software; hosting of computer files; provision of information via databases and websites in the fields of science, medical, biomedical, pharmaceutical, biological and molecular biology; services for transmission of data in computer databases; hosting of software applications; design and hosting of web portals; hosting of databases; providing on-line software that can be accessed from the Internet; information technology services (design and technical consultancy relating to computer hardware, software and peripheral apparatus); provision of information, including on-line, relating to design and development of computer software.

Cl.44; Provision of information in the fields of medicine, science, health and health care; provision of databases and websites featuring information and resources in the fields of medicine, science, health and health care.

Cl.45; Providing information and resources in the legal field: legal services; legal research services; litigation support services; provision of legal and regulatory information relating to fraud prevention, fraud investigation and security risk investigation on individuals, businesses and assets; regulatory compliance monitoring services, namely, monitoring legal compliance with anti-money-laundering and homeland security regulations; customer screening services, namely, investigating and researching potential clients on behalf of others to ensure compliance with anti-money-laundering and homeland security regulations.

Cl.6;Common metals and their alloys; metal building materials; transportable constructions of metal; metal building materials for railway tracks; metal cables and wires (not for electrical purposes); ironmongery and small items of metal hardware; metal pipes and flexible tubings; metal hose and pipe connectors; metal manifolds, couplings and adapters; metal hose and pipe couplings, mountings as far as included in this class; metal pipes and tubes for ventilation and air-conditioning systems; metal molds; metal goods as far as included in this class.

Cl.7;Machines used in metal, timber, rubber and plastics processing; machines for the manufacture, repair and disassembly of land and sea vehicles; machines for the chemical, agricultural, mining, textile, food and beverage, construction and packaging industry; machine tools; printing machines; printing frames; printing plates; machines used in the manufacture of printing plates; printing plates [not light-sensitive]; pressure casting molds (machine components); lithographic printing plates for printing machines; motors and engines (except for land vehicles); components for motors and engines of all types, including electric motors and their components (except for land vehicles); control units for motors and engines; electric starters for motors and engines; motor driven electric generators; main cylinders; electric motors (except for land vehicles) and pumps (machines); engine actuators (throttle valves, idle governors, linear actuators, air control valves, air flap actuators, exhaust gas recirculation valves); injection valves, injection nozzles for engines; fuel pumps; fuel injection systems; spark plugs for combustion engines; glow plugs for diesel engines; ignition coils; air filters for engines; catalytic converters; chargers [turbochargers]; turbo compressors; control units for machines; controlled adjusting devices for vehicle parts such as seats, windows, mirrors, sliding roofs, throttle valves, camshafts; machine coupling and transmission components, including shift clutches (except for land vehicles); drive belts, transmission belts, V-belts, V-ribbed belts, variator belts, timing belts, synchronous belts, rubber belted, double-sided timing belts, flat belts, lift belts (machine components), conveyor belts; machine components, such as springs, shock absorber pistons, vibration dampers; molded parts made from rubber and rubber-metal bondings for vibration control as far as included in this class; engine mounts, hydromounts, torsional vibration dampers, actuators, valves (machine components); conveyor belts, parts and accessories for conveyor belts; passenger conveyors not included in other classes; (compressed air) spray guns for water, oil, gas, paint and other gaseous or liquid substances; metal fittings (accessories for spray guns or sprayers); mechanical vehicle jacks; lawn mowers (machines); non-hand-operated agricultural equipment; vending machines.

Cl.9;Scientific, nautical, surveying, electric, photographic, cinematographic, optical, weighing, measuring, signaling, checking (supervision), life-saving and teaching apparatus and instruments as far as included in this class; measuring devices and instruments; electric control and regulating systems including their processors and sensors for the steering and controlling of vehicles, for improved driving safety, driving stability, and cushioning and noise comfort; electric control and regulating systems including their processors and sensors for regulation and control of brakes, accelerator pedals, transmissions, chassis and suspensions and emissions; voltage regulators for vehicles, automatic control systems for vehicles; electrical and electro hydraulic power steering; ammeters, voltmeters, ohm meters, manometers, thermometers, tachometers; compasses, ac idimeters, water level indicators, scales; thermostats; engine management, idle speed control; data management, data processing devices; measuring, warning and display devices and instruments for distance, axle load monitoring, acceleration, speed, engine speed, torque, turn rate, pressure, fill level, fluid supply (particularly fuel and washer fluid supply), altitude, coolant temperature, charge pressure, power, air quality, air mass, oil level, oil pressure, position, rudder position, temperature, travel, travel distance, wind and water depth; distance warning and controlling devices and display instruments; radar devices; reversing monitoring equipment; automatic parking assist systems; optical, acoustic and haptic drowsiness and speed warning devices and display instruments; tire pressure gauge, tire inflating equipment; service indicator, wear indicator, consumption measurement device, maintenance indicator, workshop test equipment; time recording unit; accident data recorder; apparatus and instruments for conducting, switching, converting, storing, regulating and monitoring electricity; electrical fuses, electrical relays, transponders, sensors, actuators (as far as included in this class); detectors; pressure switches; controllers; brake fluid tester; diagnostic apparatus [not for medical purposes]; monitoring and diagnostic systems for vehicle engines and drive systems; warning lamps for vehicles; solenoid valves; lasers, not for medical purposes; electric batteries and their
components, rechargeable batteries and their components, solar batteries; fuel cells and their components, chargers for electric batteries; alarm equipment; burglary alarms, burglary detection equipment; electrical opening and closing devices for motor vehicles, including control units, controls and electric motors; central locking systems; electronic immobilizers for motor vehicles; remote control devices; remote operation systems for central locking systems; position finding, course tracking and traffic routing devices; navigation instruments; navigation devices for vehicles; GPS devices; electric/electronic controllers and drives for convertible soft tops, sliding roofs and sun protection devices; data processing devices, computers including electronic calendar, fax machines, monitors, computer I/O devices, calculators, saved computer programs and software; electrical, electronic, opto-electronic and mechanical analog and digital display devices and instruments; image transmission and reproduction devices; electrical or electronic display devices; display equipment, display modules, display elements, display panels, displays, monitors, screens, LCDs, devices with LCDs, flat screens, video screens and monitors; touch screens; devices for recording, receiving; transmitting and reproducing analog and/or digital signals, as well as images and sound; antennas, radios, televisions, telephones including video telephones; hands-free equipment for telephones; rescue equipment, such as life rafts, rescue ladders, rescue nets, rescue tarpaulins, life belts, life buoys, life jackets, fire extinguishing equipment; contact lenses, spectacles, spectacles cases, binoculars, magnifying glasses, sunglasses, hazard warning triangles for vehicles; projectors, film cameras, cameras, photocopyers, electronic microscopes, electronic pocket translators, exposed film, magnetic, electronic and optical recording media, with the exception of non-exposed film; recording disks including magnetic cards, cards with integrated circuits (smart cards), telephone cards, mechanisms for coin-operated apparatus including automatic cash dispensers, cash machines; cash registers, calculating machines; photovoltaic elements; photo cells; presence monitoring devices.

Cl.11; Apparatus for lighting, heating, steam generating, cooking, refrigerating, drying, blowing, ventilation, air-conditioning and water supply and sanitary purposes; attachments for water supply equipment for adjusting and changing the water flow volume; end pieces for water supply equipment; heating and air-conditioning systems for vehicles; fans and ventilation modules for vehicles; vehicle headlights; bicycle lights; vehicle tail lamps; heating, cooling, air-conditioning and ventilation systems in vehicles.

Cl.12; Vehicles; apparatus for locomotion by land, air or water; parts and accessories for vehicles for transportation by land, air or water as far as included in this class; engines for land vehicles; parts and accessories for vehicles, namely, combination display instruments, land vehicle cockpits, instrument panels, center consoles; tires, inner tubes for tires, wheels, wheel rims, treads for the retreading of tires, hub caps, rim strips, materials and kits for repairing tires and inner tubes not included in other classes; valves for vehicle tires; chassis and parts thereof included in this class; controlled and non-controlled chassis for vehicles; electronic, hydraulic, electromechanical, electrohydraulic and mechanical brakes for vehicles; parts and accessories for electronic, hydraulic, electromechanical, electrohydraulic and mechanical brakes for vehicles; brake cylinders, brake pads, brake calipers, brake disks, brake linings, brake hoses; mechanical and hydraulic controllers and regulators not included in other classes; regulated and unregulated electromechanical and electrohydraulic steering systems and their components; hydraulic power steering, steering columns, steering gear; electrical, electronic and mechanical actuators, drive shafts and electric motors for land vehicles; safety equipment for motor vehicles as far as included in this class; airbags, belt tensioners and their parts and accessories as far as included in this class; shaft couplings and transmission mechanism, including shift clutches for land vehicles; active and passive, regulated and unregulated dampers and springs for vehicles, wheels and their parts, particularly air pressure springs and gas springs; air supply units for air spring systems for vehicles; shock absorbers and suspension struts for vehicles; shock absorber springs for vehicles, suspension springs for vehicles; vibration dampers and torsional vibration dampers (except as components of land vehicle engines) for vehicles; vehicle engines, steering apparatus; vehicle cabins and driver seats; hydromounts as vehicle components as far as included in this class; axles and axle modules, axle boots, diaphragms not included in other classes; drive belts, transmission belts not included in other classes; cooling, heating, brake, fuel, charge air, oil, hydraulic hoses as vehicle components and accessories as far as included in this class; vehicle interiors lining; airbag covers; paneling for dashboards; interior upholstery for vehicles; motor vehicle seats; cigarette lighters for automobiles; cockpit cross beams; driver cockpits, driver cabins; ventilation nozzles, air deflector elements and air lines for vehicles; window and headlight cleaning systems for motor vehicles as well as the associated components; hoses, hose couplings, pump; meters and valves; windshield and headlight cleaning systems; window lift and window positioning systems for vehicles; electric/electronic controllers and drives for convertible soft tops, sliding roofs and sun protection devices; rubber or plastic concertina walls for trains and articulated buses; fuel lines for vehicles; fuel tank systems for motor vehicles.

Cl.16; Paper, cardboard and goods made from these materials, not included in other classes; printed matter, printer’s type, printing blocks, non-textile printing blankets, components and accessories therefor, not included in other classes; atlases, calendars, geographic maps, publications (written); ball pens and pencils; pennants and flags (made from paper), napkins (made from paper), bookbinding material; photographs; stationery; adhesives for stationery or household purposes; artists’ materials; typewriters and office requisites (except furniture); instructional and teaching material (except apparatus), including textbooks, specialist books, magazines, repair and/or user instructions on automotive parts; plastic materials for packaging as far as included in this class; forms, printed forms, print rolls and diagram plates made out of paper used in make in tachographs.

Cl.17; Rubber, gutta-percha, gum, asbestos, mica and goods made from these materials and not included in other classes; plastic goods (semininished products); sealing, packing and insulating materials; flexible pipes (not made from metal); flexible pipe connections (not made from metal); armoring for cables (not made from metal); rubber compensators; line seals; sealing gaiters, sealing rings, diaphragms (not included in other classes); natural rubber (liquid); sub-ballast mats made from rubber and rubber substitutes for vibration and shock damping in track construction; oil-absorbent mats made of rubber and rubber substitutes; rubber valves; soft top, door, window, engine compartment seals; plastic upholstery materials (except for packaging purposes), including sheeting for sealing and insulating purposes, roof and pond liners; passageway bellows of rubber or plastic for airport passenger bridges; parts and accessories for all aforementioned goods not included in other classes; rubber for retreading tires; rubber solution.

Cl.25; Clothing, footwear, headgear including trousers, T-shirts, polo shirts, coats, jackets, overalls, caps, gloves (clothing), shoes, neckerchiefs, ties, scarves.

Cl.35; Advertising, business management, business administration; office functions; personnel recruitment, personnel
management consultancy, commercial consultancy, public relations, radio and television advertising, organization of exhibitions and fairs for commercial and advertising purposes, marketing, sales research, market research; retail (including online retail) services in the following areas: vehicles and vehicle accessories, tires, brakes, rubber and plastic goods, chemical products, fuels and propellants, machines, tools and metal goods, building articles, electrical and electronic goods, sound and data media, printed matter, stationery, office requisites, articles of clothing, shoes and textile goods, toys, sports equipment; wholesale services (including online wholesale services) in the following areas: vehicles and vehicle accessories, tires, brakes, rubber and plastic goods, chemical products, fuels and propellants, machines, tools and metal goods, building articles, electrical and electronic goods, sound and data media, printed matter, stationery, office requisites, articles of clothing, shoes and textile goods, toys, sports equipment; organizational advice on the granting of usage rights for mobility systems.

Cl.37; Building construction, installation services, automotive workshop services, conversion, repair, servicing, assembly, dismantling, maintenance, care, cleaning and paint work for vehicles, engines, brakes, tires and their parts; repair of vehicles as part of breakdown assistance; retreading of tires; maintenance, assembly, repair of evaluation instruments for diagram plates, tachographs, accident data recorder, electronic vehicle logs, test and diagnostic apparatus and instruments; installation, maintenance and repair of machines and machine components; installation, maintenance and repair of conveyor belts and systems; installation, maintenance and repair of computer hardware for data processing systems.

Cl.6; Splices for connecting reinforcing bars for use in concrete columns; splices for making up wire nets; anchor sockets that form part of a concrete element; sleeves; loops and thimbles, all for wire ropes; cables and slings, all for lifting; fixing bolts, fixing screws, fixing plates and fixing holders, all being fittings for use with precast concrete fabrications; ducts, formers, spacers, sheathing, thrust rings, bearing plates, anchor plates, locking rings, helix springs and anchorage castings, vice claws of metal for compressed air pipes, wedge grips all for use with apparatus and installations for pre-stressing and post-tensioning concrete fabrications and for use with engineering structures, moulds for forming concrete fabrications; connectors, couplers, joints, sleeves, clamps, anchor lugs, line taps, loop stirrups, cable socks, cable rollers, cable blocks, all being non-electric and for use in connection with overhead cables and with stressed cable constructions; metal hardware (not being hand tools or machines) for use in supporting workmen in the course of operations on overhead cables for the purpose of pre-stressing and post-tensioning civil engineering structures and other engineered structures; balls of steel (other than parts of machines) for use in the pre-stressing and post-tensioning of engineered structures; all made wholly or principally of common metal.

Cl.7; Lifting jacks and pumps, all for use in civil engineering construction or the construction of other engineered structures; pre-stressing beds and stressing machines, concrete vibrators, all for use in the production of pre-cast concrete fabrications; machines for use in the mixing and setting of concrete and of colloidal mixes; machines for vibrating and pre-stressing concrete in moulds and in forms; screeding machines and screeding apparatus; power operated machines and power operated apparatus, all for use in vibrating and compacting concrete masses and for compacting ground surfaces of building areas; power operated pushing machines for use with wire ropes, strand and other steel tensile elements; power operated cutting machines incorporating annealing devices, and for use with wire
ropes; power operated hand held tools, and flexible drives and grinding attachments for use therewith; power operated presses (machines) and hand operated presses (machines), none being for printing; motors for use with all the aforesaid goods; machines for the production of hollow core precast units; machines for curing of concrete by various methods; mechanical gripping devices (not being hand tools or machines).

Cl.8; Hand operated jacks, hand tools and parts thereof, all for use with strands, wires and with cables; hand operated jacks and parts therefor for the use of lifting engineered structures and tensile bars; hand operated tools for use within pre-cast concrete facilities.

Cl.9; Handheld apparatus for the measurement of forces, strength and corrosion in concrete structures; locating devices (not being hand tools or machines) for use in supporting workmen in the course of operations on overhead cables for the purpose of pre-stressing and post-tensioning civil engineering structures and other engineered structures.

Cl.17; Rubber and elastomeric bearing pads and strips, all for use in building structures; high pressure hose and fittings therefor.

Cl.37; Construction, maintenance and repair of civil engineering structures and other engineered structures; joining together of strands of reinforcing bars predominantly used in reinforced concrete structures; stressing of concrete; construction, maintenance and repair of all kinds of pre-cast concrete plants; repair of engineered structures, construction and maintenance of pre-cast and pre-stressed concrete factories.

Cl.40; Metal treatment; splicing of metal products.

Cl.42; Provision of services for the design of civil engineering structures; structural investigation and structural engineering services relating to the the construction and maintenance of pre-cast and pre-stressed concrete factories, including software design in connection with any of the aforesaid services.

Cl.6; Materials of metal for railway tracks; locks and goods of wrought iron; small items of metal hardware; drop-forging
and open-die forging parts other than parts of motors and engines; rolled and cast building components; forged parts
(unprocessed) and processed forgings and castings, included in this class; cast steel; cast iron, raw or semi-worked; tool
chests of metal, empty; tool boxes of metal, empty.

Cl.7; Machine parts; crank shafts; machine tools, in particular induction hardening machines; special machines for metal
treating; belts for motors and engines; agricultural implements other than hand-operated; motors and engines for boats,
ships, aircraft and air cushion vehicles; motors, other than for land vehicles; connecting rods for machines, motors and
engines; milling and drilling machines, including the aforesaid goods in the form of machining centres and/or being
numerically controlled apparatus for machining; mechanical tools; electric hand tools and hand-held tools other than
hand-operated; manually and numerically controlled separating devices, namely, apparatus being machine parts for the
adjusting and setting up of work pieces for machining; parts and accessories for the aforesaid machines, namely,
mechanical tool clamping devices, tool changers, tool magazines being machine parts, mechanical handling apparatus,
work piece magazines being machine parts, tool spindles, industrial robots, mechanical conveyors, automatic processing
and handling machines; holding devices for machine tools.

Cl.9; Electric and electronic controls and measuring and testing apparatus for machines, in particular for induction hardening machines; electric and electronic controls and measuring and testing apparatus for special-purpose machines for metalworking, for belts for motors and engines, for agricultural implements; electric and electronic controls and measuring and testing apparatus for motors and engines for boats, ships, aircraft and air cushion vehicles; electric and electronic controls and measuring and testing apparatus for motors and engines, for connecting rods for machines, for milling and drilling machines, for mechanical tools and for manually and numerically controlled indexing devices, namely apparatus being parts of machines for adjusting and setting up workpieces to be processed; electric and electronic controls and measuring and testing apparatus for individual parts and fittings for the aforesaid machines, namely mechanical tool clamping devices, tool changers, tool magazines being machine parts, mechanical handling apparatus, work piece magazines being parts of machines, tool spindles, industrial robots, mechanical conveyors, automatic processing and handling machines; apparatus and instruments for physics; chemistry apparatus and instruments; optical apparatus and instruments; nautical apparatus and instruments; electrotechnical components; weighing, signalling, checking (supervision) and photographic apparatus, instruments and equipment; measuring instruments.

Cl.12; Vehicles for locomotion by land, air, water or rail; cars; bicycles; automobile and bicycle accessories included in
this class; parts of vehicles included in this class; motors for land vehicles; connecting rods for land vehicles, other than
parts of motors and engines; inner tubes for pneumatic tires.

Cl.37; Repair, maintenance and installation of machines, parts of machines, crank shafts, machine tools, induction
hardening machines, special-purpose machines for metalworking; repair, maintenance and installation of belts for motors
and engines; repair, maintenance and installation of motors and engines for boats and ships; repair, maintenance and
installation of motors and engines for aircraft and air cushion vehicles; repair, maintenance and installation of motors and
engines; repair, maintenance and installation of connecting rods for machines, motors and engines and of milling and
drilling machines; repair, maintenance and installation of mechanical tools and manually and numerically controlled
indexing devices, namely, apparatus being parts of machines for adjusting and setting up workpieces to be processed;
repair, maintenance and installation of individual parts and fittings for the aforesaid machines, namely, mechanical tool
clamping devices, tool changers, tool magazines being parts of machines, mechanical handling apparatus, work piece
magazines being parts of machines, tool spindles, industrial robots, mechanical conveyors, automatic processing and
handling machines; repair, maintenance and installation of electric and electronic controls and measuring and testing
apparatus for machines, parts of machines and crank shafts; repair, maintenance and installation of electric and electronic controls and measuring and testing apparatus for machine tools, induction hardening machines, motors and engines; repair, maintenance and installation of electric and electronic controls and measuring and testing apparatus for physical, chemical, optical, geodetic, nautical and electrotechnical weighing, signalling, checking (supervision) and photographic apparatus, instruments and equipment; repair, maintenance and installation of electric and electronic controls and measuring and testing apparatus for measuring instruments.
