Cl.1; Chemicals; fertilizers; nonferrous metals; non-metallic minerals; unprocessed plastics [plastics in primary form]; pulp; industrial chemicals; carbon dioxide absorbent; compost; fissionable material for nuclear energy; fuel for atomic piles; lithium; radioactive elements for scientific purposes

Cl.7; Metalworking machines and instruments; mining machines and instruments; construction and civil engineering machines and instruments; loading-unloading machines and apparatus; industrial fishing machines; chemical machines and instruments; textile machines and instruments; food or beverage processing machines and instruments; lumber, wood working or veneer and plywood machines and instruments; pulp making, paper making or paper converting machines and instruments; printing or book binding machines and instruments; sewing machines; agricultural machines and instruments; shoe manufacturing machines; leather tanning machines; tobacco manufacturing machines; glassware manufacturing machines; painting machines and instruments; packaging machines and instruments; plastic working machines and instruments; semiconductor device manufacturing apparatus; rubber products manufacturing machines and instruments; building stone working machines and instruments; motive power machines and instruments (exclusive of those for land vehicles), and parts of motive power machines and instruments; pneumatic and hydraulic machines and instruments; mechanical adhesive tape dispensers, automatic stamping machines; vending machines; gasoline station equipment; dish washing machines; electrical wax polishing machines; washing machines [laundry]; electric vacuum cleaners; electric mixers; repairing machines and instruments; mechanical parking installation; vehicle washing machines; spraying machines for disinfection, insecticide and deodorization (exclusive of those for agricultural use); Machine elements (exclusive of those for land vehicles); lawn mowers; electric curtain drawing apparatus; motor-operated apparatus for automatically opening and closing doors; wastes compacting machines: wastes crushing and shredding machines; starters; alternating current motors and direct current motors (exclusive of alternating current motors and direct current motors for land vehicles [exclusive of parts thereof]); alternating current generators; direct current generators; armature brushes; machining centers; metalworking machine tools; punching presses; shaping
machines; metal sawing machines; grinding machines; paring machines; paring machines; cutting machines; lathes; threading machines; nut-tapping machines; gear cutting and finishing machines; milling machines; millers; drilling machines; rolling mills; end mills; reamers (power tools); gas welding machines; electric welding machines; electric drills; machine tools for cutting; gear cutters; drilling bits being parts of machines; broaches; milling cutters; cemented carbide cutting tools; diamond tools; moulds and dies for metal-forming; beating machines; bending machines; crushing machines; blade sharpening (stropping) machines; disintegrators; die-cutting and tapping machines; die-stamping machines; dividing machines; apparatus for dressing; electric hand drills; drilling bits (parts of machines); electric hammers; embossing machines; engraving machines; finishing machines; foundry machines; pneumatic hammers; hemming machines; apparatus for machining; molds (parts of machines); planing machines; machines for paper; paper machines; papermaking machines; corrugated paperboard making machines; paper box making machines; paper machines; papermaking machines; corrugated paperboard making machines; paper box making machines; printing machines; rotary printing machines; printing rollers for printing; inking apparatus for printing machines; paper feeders for printing; printing cylinders; control systems for printing presses; hoppers; atomisers (machines); cultivators (machines); fodder presses; binding apparatus for hay; corn husking machines; dairy machines; grain husking machines; grain separators; harvesting machines; mowing and reaping machines; ploughs; raking machines; reapers; reapers and binders; reapers and threshers; sifting machines; sowers (machines); tedding machines; threshing machines; trussing apparatus for hay; weeding machines; winnowers; power tillers; mowers, combine harvesters; packaging machines; transplanting machines and implements; painting machines; paint spray guns; plastic moulding machines; injection moulding machines; extrusion moulding machines; compression moulding machines; wafer bonding machines; plasma chemical vapor deposition (CVD) equipment used for semiconductor manufacturing; tire vulcanizers; vulcanisation apparatus; rubber mixing machines; rubber forming machines; turbines other than for land vehicles; gas turbines not for land vehicles; steam turbines not for land vehicles; air turbines not for land vehicles; hydraulic turbines not for land vehicles; wind turbines not for land vehicles; engines, other than for land vehicles; gasoline engines not for land vehicles; diesel engines not for land vehicles; gas engines not for land vehicles; jet engines (not for land vehicles); aeroplane engines; steam engines; engines for air cushion vehicles; engines for anti-poison and anti-slip devices; engines for air compressors and engines; compressors for air engines; compressing rods for machines, motors and engines; cylinder heads for engines; injectors for engines; filters (parts of machines or engines); filters for cleaning cooling air, for engines; hydraulic engines and motors; motors for boats; motors not for land vehicles; steam engine boilers; turbochargers; turbocompressors; boiler tubes (parts of machines); exhausts for motors and engines; fans for motors and engines; driving motors other than for land vehicles; catalytic converters; wind turbine generators; radiators (cooling) for motors and engines; seals of turbine other than for land vehicles; seals of engines other than for land vehicles; gas turbine inlet air filters; pumps; centrifugal pumps; rotary pumps; vacuum pumps; blowers; compressors (machines); compressors for refrigerators; centrifugal compressors; blowing engines; blowing machines for exhaustion of dust, etc.; blowing machines for the compression, exhaustion and transport of gases; transmissions for machines; transmissions, other than for land vehicles; valves (parts of machines); axles for machines; ball rings for bearings; ball-bearings; bearing brackets for machines; bearings for transmission shafts; bearings (parts of machines); brake linings other than for vehicles; brake segments other than for vehicles; brake shoes other than for vehicles; driving-chains other than for land vehicles; clack valves (parts of machines); clutches other than for land vehicles; couplings other than for land vehicles; crank shafts; cranks (parts of machines); cylinders for machines; pistons for cylinders; freewheels other than for land vehicles; hydraulic door openers and closers (parts of machines); hydraulic engine doors; hydraulic engine doors and closers (parts of machines); fan belts for motors and engines; driving chains other than for land vehicles; dynamo belts; gears for weaving looms; gear boxes other than for land vehicles; journals (parts of machines); gears, other than for land vehicles; journal boxes (parts of machines); piston segments; machine wheelwork; pistons (parts of machines or engines); pulleys (parts of machines); pressure reducers (parts of machines); pressure regulators (parts of machines); pressure valves (parts of machines); torque converters other than for land vehicles; reduction gears other than for land vehicles; roller bearings; shaft couplings (machines); shock absorber plungers (parts of machines); speed governers for machines; enginio bears; motors; pumps; springs (parts of machines); transmissions other than for land vehicles; generators of electricity; motors, electric, other than for land vehicles; metal-forming machine tools; slitting machines (for metalworking); broaching machines (for metalworking); mechanical presses (for metalworking); agricultural shearing machines; molding machines for metalworking; molding machines for food or beverage processing; molding machines for plastic processing; puddling machines for metalworking; holding devices for metalworking machine tools; air
condensers for chemical processing; heat exchangers for steam turbines other than for land vehicles; heat exchangers (parts of machines) for chemical processing; control systems for furnaces other than for land vehicles; control systems for motors other than for land vehicles; centrifugal blowers (not for specified purposes); soldering apparatus, electric; electric arc cutting apparatus; electric arc welding apparatus; galvanizing apparatus.

Cl.9; Ozonizer (ozonators); electrolytic cells; coin operated gates for parking lots; light-emitting or mechanical road signs; diving machines and implements; vehicle driving training simulators; sports training simulators; physical and chemical apparatus and instruments; photographic apparatus and instruments, motion picture apparatus and instruments; optical apparatus and instruments; measuring apparatus and instruments; electrical distribution or control machines and instruments; rotary converters; phase modifiers; solar batteries; batteries; electrical and magnetic measuring instruments; electric wires and cables; electrical communication machines and instruments; electronic machines and instruments and parts thereof; magnetic cores; resistance wire; electrodes; fireboats; rockets; satellites for scientific purposes; fire engines; home video game machines; electronic circuits and CD-ROMs in which programs for portable game machines with liquid crystal displays are recorded; electronic circuits and CD-ROMs in which automatic playing programs for electronic musical instruments are recorded; music files which can be received and saved via the Internet; motion picture films; slide films; slide film mounts; image files which can be received and saved via the Internet; pre-recorded video discs and videotapes; electronic publications; in-vehicle equipment for ETC (electronic toll collection system); Electrolysers; ionisation apparatus, not for the treatment of air; parking meters; mechanical signs; chemistry apparatus and instruments; game programs for video game machines adapted for use with an external display screen or monitor; game programs for home video game machines adapted for use with an external display screen or monitor; cosmographic instruments; crucibles (laboratory); distillation apparatus for scientific purposes; apparatus for fermentation (laboratory apparatus); furnaces for laboratory experiments; furniture especially made for laboratories; apparatus and instruments for physics; stills for laboratory experiments; audiovisual teaching apparatus; air analysis apparatus; anemometers; azimuth instruments; precision balances; barometers; boiler control instruments; calibrating rings; apparatus for measuring capacity; densimeters; densitometers; detectors; distance measuring apparatus; diagnostic apparatus, not for medical purposes; distance recording apparatus; dynamometers; gas testing instruments; gasometers; gradient indicators; heat regulating apparatus; hygrometers; electricity meters; speed indicators; water level indicators; kilometer recorders for vehicles; manometers; material testing instruments and machines; measures; nautical apparatus and instruments; observation instruments; photometers; precision measuring apparatus; pressure gauges; pressure measuring apparatus; protractors (measuring instruments); revolution counters; speed checking apparatus for vehicles; sulphimeters; surveying instruments; tachometers; temperature indicators; testing apparatus not for medical purposes; vacuum gauges; weighing apparatus and instruments; battery chargers; branch boxes (electricity); capacitors; chargers for electric batteries; circuit breakers; circuit closers; converters, electric; current rectifiers; distribution boards (electricity); distribution consoles (electricity); inverters (electricity); limiters (electricity); regulating apparatus, electric; resistances, electric; rheostats; solar batteries; stage lighting regulators; transformers (electricity); battery jars; accumulators, electric; batteries, electric; battery boxes; high tension batteries; photovoltaic cells; lithium-ion batteries; galvanic cells; ammeters; frequency meters; galvanometers; voltimeters; antennas; amplifiers; couplers (data processing equipment); data processing apparatus; electromagnetic coils; high-frequency apparatus; intercommunication apparatus; magnetic encoders; modems; monitoring apparatus, electric; navigation apparatus for vehicles (on-board computers); navigational instruments; optical data media; phototelegraphy apparatus; radar apparatus; radiotelegraphy sets; remote control apparatus; electric installations for the remote control of industrial operations; satellite navigational apparatus; transmitters of electronic signals; central processing units (processors); chips (integrated circuits); cyclotron; computer memories; computer operating programs, recorded; computers; computer peripheral devices; computer software (recorded); computer hardware; metal detectors for industrial or military purposes; monitors (computer hardware); printed circuits; radiological apparatus for industrial purposes; readers (data processing equipment); sounding apparatus and machines; cathodic anti-corrosion apparatus; condenser rods; electrical plates for batteries; satellites for scientific purposes; electronic publications (downloadable); computer software and hardware for intelligent transport systems (ITS); electric apparatus for commutation; condensers (capacitors); control panels (electricity).

Cl.10; Medical apparatus and instruments; radiotherapy apparatus

Cl.11; Drying apparatus; recuperators; steaming apparatus; evaporating apparatus; distillation apparatus; heat exchangers; milk sterilizing apparatus; industrial furnaces; nuclear reactors [atomic piles]; harvest drying machines; feed drying apparatus; boilers (exclusive of parts of motive power machines and those for engines); heating or air conditioning equipment; refrigerating machines and instruments; clothing drying machines for business use; machines and instruments for beauty salons or barber's shops (exclusive of chairs); cooking machines and instruments for business use; dish drying machines for business use; dish sterilizing apparatus for business use; valves for water pipes; valves for controlling water level of tanks; valves for pipelines; waste water purification tanks; sewage disposal tanks; garbage incinerators; solar water heaters; water purifying apparatus; electric lamps and lighting fixtures; household thermoelectric appliances; seats for faucets; washers for faucets; gas water heaters; heating utensils; kitchen tables; sinks; iceboxes; ice refrigerators; water purifiers for domestic use; bath fittings; waste water purification tanks for domestic use; sewage disposal tanks for domestic use; warm and cold keepers filled with chemical substances; stoves; Heat accumulators; acetylene generators; air dryers (dryers); air sterilisers; gas condensers (other than parts of machines); industrial apparatus for drying; air conditioning columns; gas for stacks for use in the oil industry; heat exchangers (not parts of machines); heat regenerators; hot air apparatus; heating apparatus for solid, liquid or gaseous fuels; oil-scrubbing apparatus; polymerisation installations; refining towers for distillation; steam generating installations; sterilizers; water filtering apparatus; ash pits for furnaces; atomic piles; coolers for furnaces; kilns; furnaces, other than for experimental purposes; loading apparatus for furnaces; installations for processing nuclear fuel and nuclear moderating material; ovens, other than for experimental purposes; solar furnaces; steam accumulators; heating elements; feeding apparatus for heating boilers; gas boilers; gas burners; heating boilers; oil burners; petrol burners;
water heaters; steam boilers, other than parts of machines; air conditioners for vehicles; air conditioning apparatus and installations; air cooling apparatus; air deodorising apparatus; air filtering installations; air purifying apparatus and machines; air reheaters; air valves for steam heating installations; central heating radiators; cooling installations and machines; freezers; chillers; defroster for vehicles; deodorising apparatus, not for personal use; cooling installations for liquids; refrigerating apparatus and machines; filters for air conditioning; fans (parts of air-conditioning installations); heaters for vehicles; heating apparatus; heating apparatus, electric; heating installations; hot water heating installations; radiators; electric; heat pumps; humidifiers for central heating radiators; ionisation apparatus for the treatment of air; solar collectors (heating); ventilation (air-conditioning) installations and apparatus; ventilation (air-conditioning) installations for vehicles; beverage cooling apparatus; purification installations for sewage; incinerators; water purification installations; desalination plants; filters for drinking water; water softening apparatus; water purifying apparatus and machines; water supply installations; desulferization plants; denitrification plants; water intake apparatus; CO2 recovery equipment from flue gases of combustion apparatus such as boilers, gas turbines and furnaces; boiler pipes (tubes) for heating installations; boilers, other than parts of machines.

CI.35: Advertising; diagnosis and advice for business; marketing research and analysis; provision of information about sale of goods; management of hotel business; business management in the field of nursing and personal care facility and care homes; business management in the field of nursing care; preparation, auditing or certification of account documents; personnel recruitment and placement; import-export agency; agency in the field of sales of goods; document reproduction; filing of documents or magnetic tapes; operation of computers, typewriters, telex or similar office machines; reception and guide for visitors to buildings; rental or leasing of publicity materials; rental or leasing of typewriters, copying machines and word processors; providing information about job offers; rental or leasing of vending machines; retail and wholesale services for automobiles; retail and wholesale services for electrical machines and instruments; procurement services for others [purchasing goods and services for other businesses]; accounting services; on-line advertising on a computer network; commercial information and advice for consumers (consumer advice shop); business information; business inquiries; computerized file management; presentation of goods on communication media, for retail purposes;

CI.37: Construction work; advice on construction work; operation, inspection and servicing of construction facilities; shipbuilding; repair and maintenance of ships; repair and maintenance of aircrafts; repair and maintenance of bicycles repair and maintenance of automobiles; repair and maintenance of railway rolling stocks; repair and maintenance of motor bicycles; repair and maintenance of motion picture apparatus and instruments; repair and maintenance of optical apparatus and instruments; repair and maintenance of photographic apparatus and instruments; repair and maintenance of storage tanks; repair and maintenance of packaging containers of metal; repair and maintenance of road signs of metal; repair and maintenance of metal-working machines and instruments; repair and maintenance of shoe machines and instruments; repair and maintenance of mining machines and instruments; repair and maintenance of construction and civil engineering machines and instruments; repair and maintenance of loading-unloading machines and apparatus; repair and maintenance of chemical machines and instruments; repair and maintenance of glassware manufacturing machines; repair and maintenance of textile machines and instruments; repair and maintenance of food or beverage processing machines and instruments; repair and maintenance of lumber, wood working or veneer and plywood machines and instruments; repair and maintenance of pulp making, paper making or paper converting machines and instruments; repair and maintenance of printing or book binding machines and instruments; repair and maintenance of packaging machines and instruments; repair and maintenance of plastic working machines and instruments; repair and maintenance of semiconductor device manufacturing apparatus; repair and maintenance of rubber products manufacturing machines and instruments; repair and maintenance of tobacco manufacturing machines; repair and maintenance of sewing machines; repair and maintenance of gasoline station equipment; repair and maintenance of dish washing machines for industrial purposes; repair and maintenance of cooking machines and instruments for industrial purposes; repair and maintenance of motive power machines and instruments; repair and maintenance of pneumatic and hydraulic machines and instruments; repair and maintenance of agricultural machines and implements; repair and maintenance of fishing machines and instruments; repair and maintenance of electric motors; repair and maintenance of generators; repair and maintenance of mechanical parking installation; repair and maintenance of repairing machines and instruments; repair and maintenance of washing machines [laundry] for industrial purposes; repair and maintenance of vending machines; repair and maintenance of machines and instruments for amusement parks; repair and maintenance of machines and instruments for beauty salon or barbershops; repair and maintenance of electric curtain drawing apparatus; repair and maintenance of painting machines and instruments; repair and maintenance of vehicle washing machines; repair and maintenance of wastes compacting machines; repair and maintenance of wastes crushing and shredding machines; repair and maintenance of diving machines and implements; repair and maintenance of nuclear power plants; repair or maintenance of chemical processing plants;; repair and maintenance of gas water heaters; repair and maintenance of sign boards; repair and maintenance of game machines and apparatus; repair and maintenance of physical and chemical apparatus and instruments; repair and maintenance of measuring apparatus and instruments; repair and maintenance of electrical distribution or control machines and instruments; repair and maintenance of batteries; repair and maintenance of electrical and magnetic measuring instruments; repair and maintenance of electrical communication machines and instruments; repair and maintenance of electronic machines and instruments; repair and maintenance of ozonator (ozonators); repair and maintenance of electrolytic cells; repair and maintenance of rockets; repair and maintenance of satellites; repair and maintenance of space crafts and spaceships; repair and maintenance of sports training simulators; repair and maintenance of vehicle driving training simulators; repair and maintenance of light-emitting or mechanical road signs; repair and maintenance of electric arc welding machines; repair and maintenance of electric metal cutting machines; repair and maintenance of electric welding apparatus; repair and maintenance of motor-operated apparatus for automatically opening and closing doors; repair and maintenance of medical apparatus and instruments; repair and maintenance of industrial furnaces; repair and maintenance of nuclear reactors; repair and maintenance of boilers; repair and maintenance of refrigerating machines and instruments; repair and maintenance of lighting fixtures; repair and maintenance of drying apparatus; repair and
maintenance of evaporating apparatus; repair and maintenance of distillation apparatus; repair and maintenance of heat exchangers; repair and maintenance of heating or air conditioning equipment; repair and maintenance of pumps; repair and maintenance of water pollution control systems; repair and maintenance of water purification systems; repair and maintenance of household electrical machines and instruments; repair and maintenance of waste water purification tanks; repair and maintenance of garbage incinerators; repair and maintenance of sewage disposal tanks; repair and maintenance of tanks (weapons); laundering; chimney sweeping; cleaning of building exterior surfaces; window cleaning; sewage disposal tank cleaning; road cleaning; storage tank cleaning; prevention against vermin (exclusive of that concerning agriculture, gardening or forestry); sterilization of medical apparatus and instruments; rental or leasing of construction and civil engineering machines and instruments; rental or leasing of electric washing machines (laundry); rental or leasing of clothing drying machines; rental or leasing of clothing dewatering machines; rental or leasing of mining machines and instruments; repair and maintenance of fork lift truck; repair and maintenance of vehicles; installation, maintenance and repair of computer hardware; installation, repair and maintenance of electric appliances; installation, repair and maintenance of freezing equipment; installation, repair and maintenance of heating equipment; repair and maintenance of conveyors; repair and maintenance of cranes; installation of pump; repair and maintenance of printing presses; installation, repair and maintenance of gas turbines; repair and maintenance of diesel engines; installation, repair and maintenance of steam turbines; repair and maintenance of gas engines; installation, repair and maintenance of water turbines; repair and maintenance of turbochargers; installation, repair and maintenance of wind turbines; repair and maintenance of compressors; installation of boilers; installation, repair and maintenance of blowers; repair and maintenance of radiotherapy apparatus; repair and maintenance of motor graders; repair and maintenance of machining centers; repair and maintenance of corrugated paperboard making machines; repair and maintenance of gasoline engines; repair and maintenance of jet engines; repair and maintenance of canning machines; repair and maintenance of bottling machines; repair and maintenance of tire vulcanizers; repair and maintenance of machines for manufacturing semiconductors maintenance and repair; repair and maintenance of plastic moulding machines; repair and maintenance of injection moulding machines; installation of chemical processing plants; installation of nuclear power plants; installation of seawater desalination plants; repair or maintenance of seawater desalination plants; installation of iron and steel manufacturing plants; repair or maintenance of iron and steel manufacturing plants; installation and maintenance of solar energy based power plants; installation of geothermal energy based power plants; installation of CO2 recovery equipment from flue gases of combustion apparatus such as boilers, gas turbines and furnaces.

Cl.39; Transportation by railroads; transportation by motor vehicles; providing road traffic information; driving for car owners; transportation by sea craft and ships; transportation by aircraft; packing freight; mediating transportation of freight; loading and unloading freight; acting as agent for moving; brokering with respect to the rental or leasing, the buying and sale or the consignment of navigation of sea craft; salvage of sea craft; pilotage; conducting package tours; guiding for tourists; mediating or acting as agent with respect to the contracts for tours (exclusive of those concerning accommodations); warehousing of deposited goods; launching of rockets for others; launching of satellites for others; launching of spacecraft and spaceships for others; supplying gas; supplying electricity; supplying water; supplying heat; providing warehouses; providing parking lots; providing mooring facilities; providing airfields; management of parking lots; transportation by spacecraft and spaceships; transportation by rockets; rental or leasing of aircraft; rental or leasing of space craft and spaceships; rental or leasing of rockets; rental or leasing of automobiles; rental or leasing of sea craft and ships; rental or leasing of wheelchairs; rental or leasing of bicycles; rental or leasing of loading-unloading machines and instruments; rental or leasing of mechanical parking systems; rental or leasing of packaging machines and instruments; rental or leasing of refrigerating machines and instruments; rental or leasing of refrigerators with freezers for household use; rental or leasing of freezers for household use; rental or leasing of gas station equipment (exclusive of those for repair or maintenance of motor vehicles); passenger transport.

Cl.42; Architectural design; surveying; geological survey; designing of machines, apparatus or instruments (inclusive of parts thereof) or facilities consisting of these machines or the like; contriving designs; designing, producing or maintaining computer programs; introduction and explanation concerning performance, methods of operations and the like of computers, motor vehicles and other machines which require expertise, skills or experiences of high degree in order to operate properly for respective purposes of use; testing, evaluating or researching medicines, cosmetics or foods; research concerning construction, architecture, buildings or city planning; testing or research concerning prevention of pollution; testing or research concerning electricity; testing or research concerning construction and civil engineering; testing, evaluation or research concerning agriculture, stock-raising or fishery; testing or researching of machines and instruments; providing computer programs; rental or leasing of measuring instruments; rental or leasing of computers; rental or leasing of physical and chemical machines and instruments; architectural consultation; engineering; computer programming; computer software design; computer system design; installation of computer software; construction drafting; mechanical research; research on building construction or city planning; research and development on machines, apparatus and instruments for others; testing, inspection or research on industrial chemicals for pharmaceuticals, cosmetics or foodstuff; testing, inspection or research on materials for pharmaceuticals, cosmetics or foodstuff.

CG/Public Notice-/2016-17/                      Date: 11/04/2016

Public Notice

Trade Marks Registry has treated many applications as abandoned under Rule 38 (5) of the Trade Marks Rules 2002, in cases where no response to examination reports containing office objections, (issued under rule 38 (4) and section 18 (4) of Trade Marks Act, 1999), were received in spite of examination reports containing office objections having been dispatched to applicants or their agents individually. Subsequently some complaints were received claiming that applications had been treated as abandoned even though the reply on behalf of the applicants were submitted but the same were not considered by the office; some complaints were also received to the effect that the examination reports containing office objections were not received by the applicants or their authorized agents in time due to which the response could not be filed and the applications have been wrongfully treated as abandoned.

Taking note of such complaints the Registrar issued a Public Notice on 04/04/2016 and requested all the applicants or their authorised agents concerned to submit representations with relevant details along with sufficient documentary evidence substantiating their case upto 30/04/2016.

Meanwhile Writ Petitions WP (C) 3043/2016 & 3067/2016 were filed before the Hon’ble High Court, Delhi and the Hon’ble Court vide their order dated 05/04/2016, has stayed the orders of abandonment passed by the Registrar on or after 20/03/2016.

In view of the above, it is notified to the public that abandonment orders passed by the Registrar of Trade Marks after 20/03/2016 are being kept in abeyance and the applicants or their authorised agents concerned can file the reply to examination reports containing office objections either through comprehensive E-filing services of trademarks available at the official website or through email at parm.tmr@nic.in and abhishek.p@nic.in. In case, the reply has already been filed and the office has erroneously treated applications as abandoned, information to this effect may also be sent through email at abhishek.p@nic.in along with copy of the reply already filed. Further action in this regard will be taken in accordance with the law and the directions/orders of the Hon’ble court in ongoing writ petitions.

NOTICE

Applicants for registration of Trade Marks and their agents are particularly requested to quote in their replies full and complete Reference Letter No. and date, application number and the class to which it relates and send to the concerned office of Trade Marks Registry. This would facilitate quick disposal of letters.
