DELHI

Providing services where a multichannel (online & offline) marketplace is setup through which various vendors including the company itself offer, promote and sell their services and products. In addition to providing an order & booking management solution which acts as an interface between customers and vendors (for example restaurants, hotels, grocery suppliers, medical stores, tour & travels, electronics stores, garment sellers), the co-ordinations at different stages and complete end-to-end delivery and logistics is being taken care of directly or through associated channel partners. So the applicant provides services in relation to arranging for transport, packaging, storage and delivery of goods, materials and items including but not limited to food & provisions, medicines, apparels and footwears, luggages, electronic items and accessories, life style products, general merchandise, household goods, over-the-counter and beauty products, toys and music, books and stationery, automobile & accessories, furniture & furnishings.
