Cl. 1; Chemicals used in industry, science and photography, as well as in agriculture, horticulture and forestry; unprocessed artificial resins, unprocessed plastics; manures; fire extinguishing compositions; tempering and soldering preparations; chemical substances for preserving foodstuffs; tanning substances; adhesives used in industry; sensitized films, unexposed; synthetic resins; thermoplastic and thermosetting synthetic resins organic molding compositions, for general use in the industrial arts; chemical intermediates; organosilicone compounds—namely, polysiloxanes and silanes in the form of resins, pastes, fluids, elastomers, vulcanizing preparations and accelerators; anti-foaming agents; catalysts for paints; chemicals for developing and fixing x-ray films and other chemicals associated with the development of said films; phosphors; chemical substances for use as nuclear fissionable material; fuel for nuclear reactors; fused quartz in various shapes such as discs, ingots, rods and tubes for general use in the industrial arts; adhesive substances used in industry; polycrystalline alumina ceramic, for general use in the industrial arts; soldering fluxes and preparations; thermoplastic and thermosetting adhesives; chemicals, biochemicals and reagents for use in industry, science and research; chemical preparations, kits and reagents for analysis or diagnosis used for scientific purposes, namely, chemical preparations for cell separation and culture, nucleic acid purification, nucleotides, fluorescent nucleotides, oligonucleotides, peptides, proteins, amino acids, organic molecules, and markers for DNA/RNA synthesis; reagents for luminescence; reagents for gene expression quantification; reagents for use with the polymerase chain reaction process; reagents for use with the rolling circle amplification process; reagents for DNA cloning and vectors, modifying and restriction enzymes; reagents for labeling, sequencing and fragment analysis of nucleic acids, proteins and custom synthesis; reagents for recombinant protein expression purification; chromatography media; reagents for electrophoresis, bioinformatics, spectrophotometry and fluorometry; radiochemicals for scientific research use; reagents for scintillating proximity assays; high through put screening assays for drug development; reagents for high resolution
laser fluorescence confocal microscopy; specialty chemicals for use in industry, science and research; gases and gas mixtures for industrial, research and scientific purposes; chemical preparations and substances for use in the manufacture of pharmaceutical products, diagnostic preparations and substances; chemical test reagents, saline solution and reagent-coated paper all for scientific and laboratory use; fissionable chemical elements for scientific research use; radioactive elements and isotopes for industrial, scientific and research purposes; radioactive sources and standards for use in radiographic techniques; radioactive sources for use in non-destructive testing, purification and sterilizing techniques; radionuclides for scientific research use; chemicals and chemical compositions for use in the treatment of water systems, wastewater treatment systems, cooling water systems, boiler water and steam generating systems, boiler condensate systems, fluid separation systems, water clarification and dewatering in aqueous systems, conditioning systems, gas cleaning systems, industrial process systems, fuels and fuel processing systems, hydrocarbon and gas processing systems, oil and gas processing and petrochemical systems, pulp and papermaking systems, metal and plastic coating systems, metal processing systems; chemical products, namely chemical gasoline additives, distillate fuel additives and performance additives for fuels used in turbine engines; bags of chemically-treated water-absorbing granular materials for placement into fuel tanks; test kit consisting of reagents used for determining the presence of algae and active organic organisms in diesel fuel; bacteria cultures and nutrients for wastewater and sludge treatment; polymeric chemicals used to disperse particulate matter in steam generating equipment; chemicals and chemical compositions as antifoulants and demulsifiers in coke-making and by-product operations of iron and steel industries.

Cl.2: Paints, varnishes, lacquers; preservatives against rust and against deterioration of wood; colorants; mordants; raw natural resins; metals in foil and powder form for painters, decorators, printers and artists; corrosion inhibitors in the nature of a coating for use in the metal finishing industry, namely, a final aqueous acidic rinse; corrosion inhibitors in the nature of a coating for use in cooling water systems; corrosion inhibitors in the nature of a coating, namely, resinous compositions for use on surfaces of metal and masonry surfaces; coating materials, etching fluids; toner cartridges for printer use; ink cartridges for printer use; toners, toners for copying apparatus and machines, toners for facsimile apparatus and machines.

Cl.3: Bleaching preparations and other substances for laundry use; cleaning, polishing, scouring and abrasive preparations; soaps; perfumery, essential oils, cosmetics, hair lotions; dentifrices; cleaning preparations containing chemicals and chemical compositions to remove contaminants from industrial process systems; paint strippers containing chemicals and chemical compositions for use in industry to remove contaminants from industrial process systems; paint strippers containing chemicals and chemical compositions to remove paint from equipment surfaces in spray paint booth operations.

Cl.4: Industrial oils and greases; lubricants; dust absorbing, wetting and binding compositions; fuels (including motor spirit) and illuminants; candles and wicks for lighting.

Cl.5: Pharmaceutical and veterinary preparations; sanitary preparations for medical purposes; dietetic substances adapted for medical use, food for babies; plasters, materials for dressings; material for stopping teeth, dental wax; disinfectants; preparations for destroying vermin; fungicides, herbicides; pharmaceutical preparations for use in diagnosis; veterinary pharmaceutical preparations for use in diagnosis; pharmaceutical and veterinary substances for medical purposes; diagnostic reagents and preparations for medical purposes; diagnostic substances for medical purposes; contrast media for medical imaging; diagnostic scanning agents for in vivo use; diagnostic imaging agents for magnetic resonance imaging; radiopharmaceutical products for clinical, medical, scientific and research use; radiopharmaceutical sources and standards for use in nuclear medicine; radioactive pharmaceutical preparations and non-radioactive reagents for producing radiopharmaceuticals for in vivo diagnostic or therapeutic use; gases and gas mixtures for medical imaging.

Cl.6: Common metals and their alloys; metal building materials; transportable buildings of metal; materials of metal for railway tracks; non-electric cables and wires of common metal; ironmongery, small items of metal hardware; pipes and tubes of metal; safes; goods of common metal not included in other classes; ores; metal locks; metal security enclosures, namely, key cabinets, storage tubes and storage boxes for securing keys; metal lockboxes for residential, vehicular, industrial and real estate sales use; metal key cabinets for locking, tracking and storing keys; metal key safes; metals and alloys in raw, sheet, wire, pellets, rod, foil, strip, liquid castings, sintered, pressed and fabricated form; key chains and key rings; trolley ducts for wiring, metallic sinks, doors of metal, gates of metal, wireless operated garage doors, acid-resistant high-polymer cladding, sheeting, steel panels for office flooring, welding wire; ironmongery; small items of metal hardware.

Cl.7: Machinery and machine tools; motors and engines (except for land vehicles); machine coupling and transmission components (except for land vehicles); agricultural implements other than hand operated; incubators for eggs; apparatus, equipment and instruments for the generation of power, namely, electric generators and wind powered electricity generators; turbines; turbines for power generation; wind turbines for power generation; wind turbines in association with wind farms, turbine generating installations, namely, power generating installations; engines for the generation of electricity and engines and apparatus for the generation of electricity; machinery for the generation of electricity and machinery for the generation of power; machinery for the production of electricity and machinery for the administration of power; machinery systems including component parts and fittings for the generation, transformation, conversion, transmission, distribution, control and utilization of electricity; dynamo electric machines, induction machines, electric translating devices, electric regulating and controlling devices, electric lamps, electric measuring instruments, electric protective devices, switchboards, switchboard appliances, wiring devices, and supplies; electric motors of all kinds, steam and gas turbines and parts thereof, electric generators and their parts, aircraft engines, compressors; washing machines, dryers, dishwashers, garbage disposers and compactors; pumps, namely, centrifugal pumps, diaphragm pumps, bellows pumps and process and transfer pumps; fluid control devices, namely, valves, flow meters, pressure switches, sequence timers, regulators, levelers, ejectors, and electrical controls and switches; fluid separation cartridges and parts thereof, including semi-permeable membranes; filter cartridges for various industrial machines for filtration applications including the filtration of coating solutions for the manufacture of magnetic tape and the filtration of petrochemicals, portable water, beer in the brewing industry, and other specialty chemicals; machines for the feeding and application of chemicals for industrial use; axial and centrifugal compressors; reciprocating compressors; screw and vane compressors; rotary, vacuum, electric, submersible and centrifugal pumps; turboexpanders, namely, air and electric compressors; CNG refueling machines for land vehicles and industrial equipment and accessories and parts for all of the foregoing namely, pumps, valves, fuel filters, filter casings, distributor rotors, blades, bearings and mechanical seals; steam condensers;
boat engines; turbochargers for engines; fuel injectors; welding machines, industrial robots, machines for inserting electronic components, dry etching machinery, micro electric-discharge machines, optical disk production systems, precision joining equipment, processing machines for printed wired boards, welding wire, parts mounting machines, soldering machines, screw fastening machines, electric power tools; electric motors, electric generators; elevators (lifts); washing machines, electric clothes washing and drying machines, electric dishwashers, refrigerators, compressors (non surgical); pumps, electric pumps; mixing, cutting and chopping machines, blender machines, electric juice extractors, electric food processors, electric meat grinders, electric can openers, electric knife sharpeners, electric coffee mills, electric ice crushers, electric waste processors; garden tools, electric lawn mowers, garden sprayers for disinfectants and insecticides; electric appliances for cleaning, electric vacuum cleaners, electric floor polishers; electric window cleaners.

Cl.9; Scientific, nautical, surveying, photographic, cinematographic, optical, weighing, measuring, signalling, checking (supervision), life-saving and teaching apparatus and instruments; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; apparatus for recording, transmission or reproduction of sound or images; apparatus for data processing and dataprocessing apparatus; electrically operated apparatus; cash registers, calculating machines, data processing equipment and computers; fire-extinguishing apparatus; protective helmets for sports; glasses, sunglasses, sports glasses; software, games software; fuel pumps for service stations for fueling airplane engines; fuel distribution equipment, namely, metered fuel pumps, electrical fuel level gauges, control valves for regulating the flow of gases and fuel lines; automated fuel station management systems comprising computer operating software, metered fuel pumps, rate control panels, fuel lines and dispensing nozzles for fueling land and marine vehicles and marine vehicles and aircraft; gas meters; on-board and wayside signaling and communication systems, train inspection systems, cross warning systems, switch machines; GPS - based tracking and monitoring systems for the railroad and transit industries; electrical devices and electrical power distribution products, namely, capacitors, circuit breakers, circuit breaker load centers, circuit closers, circuit interrupters, commutators, containing apparatus for electrical apparatus; current rectifiers, current limiters, electric contacts, current rectifiers, electric conductors, electric connectors, electric controllers, electric inductors, electric power supplies, electricity distribution boards and boxes, electricity distribution consoles, electricity switchboards and switchboxes; computer software for, persons who troubleshoot and maintain programmable controllers, computer software for analyzing blood vessels including cardiac vessels which also provides calculation functions with respect to blood vessels, computer software for use with medical patient monitoring equipment, computer software for receiving, processing, transmitting and displaying data, computer software for developing and maintaining programs; computer software for use on information, namely, databases which enable offices and other facilities to submit applications, manage portfolios and communicate with the company; computer software for use in accessing mortgage and insurance information, computer software for collecting data involving vital medical signs, computer software for use in electrical power systems analyses and instructional manual in electronic format sold as a unit therewith, computer software for use by employees for financial institutions for determining financial investments for clients and in processing the sale of the identified investments, computer software for obtaining information on the flood-hazard status of real property, computer software for the development of graphical user interfaces and data visualization, computer software for use in the calculation of mortgage payments, computer software for regulating and managing vehicle fleet maintenance services, computer software for use in connection with accessing and utilizing commercial computer services, computer software for use by customers to obtain lease portfolio information, computer software for use in the database management of employee and patient information for patient monitoring and archival purposes, computer software installed on and used in connection with PC's and medical monitoring equipment for graphical user interface, computer software for use in sending encrypted and compressed data over paging carrier systems, computer software for providing access to websites where buyers and sellers can conduct business electronically, and computer software for underground navigation namely for navigation of down hole probe assembly for oil drilling and drilling assemblies for routing underground utilities; electronic, nuclear, industrial and laboratory testing, measuring, computing and control instruments and apparatus; electrical goods, electrical power generation and distribution products and electrical and overvoltage surge products, namely, arresters, busways; capacitors; lighting contacts; controllers and input/output devices; fuses; lighting controls; switch boxes, LEDs, namely, light emitting diodes, voltage regulators for electric power, voltage surge protectors, voltage surge suppressors, voltmeters, electron tubes, relays, switches, solenoids, relays, combined relays, relay switches, solenoid switches, solenoid actuators, solenoid starters and solenoid control systems, circuit breakers and switches, switches and disconnects, transformers, electrical lighting and power circuit boards, electrical wires, cables, cords, and conductors, electrical wiring and fixtures, lightning arrestors, electricity meters, power meters, grounding resistors, humidity and temperature sensors; building and wood sensors; industrial calibration sensors, push buttons, motor control centers, electrical resistance heating wires and electrical controllers therefore and voltage regulators included in this class; software and software programs for industrial, research, and medical use; apparatus for electrophoresis; chromatography columns and pumps; apparatus for microfabrication; apparatus for bioinformatics systems; apparatus for scintillation; imaging apparatus for radioactive and luminescent emissions; synthesis and purification integrated systems; apparatus manufacturing oligonucleotides; apparatus for microarrays; laser based optical systems for digital imaging; microarray slides; laboratory glassware; vials and microvials; microtitre plates; computer software for hospital operating room management; computer software for hospital management; computer software for hospital services management; computer software for hospital systems management; computer software programs and program manuals sold as a unit for use in factory management; graphical user interface based computer programs for controlling machines in industrial automation applications; software for creating graphics displays and editing dynamic data interfaces for realtime graphics applications for industrial and business applications; communications software for connecting computer network users; software for plastic injection molding; software for control, monitoring, simulation, communications, data logging and collection, and factory automation; software to integrate manufacturing machine operations, control processes, provide data for visualization, track problems and generate production reports; packaged software for use in the operation and programming of grinding machines in the manufacturing industry; industrial process control hardware, namely, computer monitors; laptop computers, ethernet cards and cables; computer networking hardware, memory cards; microchips; microprocessors; computer network hubs, switches and routers, computer accessories, display devices and terminals; computer whiteboards; system boards and processors; control and control software; operating systems and data collectors; gage interfaces and manufacturing software; software, namely, statistical process control, data collection, distributed numerical control; manufacturing execution systems and document management; digital signal processing products and systems, namely industrial automation controls and programmable logic controllers; machine tools, namely, an adaptive control product in the nature of an external controller to optimize machine tool cutting performance of rough and semi-rough cuts; distributed and remote input/output.
hardware devices, input/output modules, interface modules, power supplies and mounting hardware; intrusion and burglar alarm systems; security devices, namely, programming logic computers, control panels, electronic intrusion detectors, electronic glassbreak sensors, electronic vibration sensors, magnetic contacts for use in security systems, electronic switch plate, electronic motion sensors for alarm systems, electronic motion sensitive switches, hardwire sirens, and transmitters, electronic smoke alarm monitoring systems, fire, heat, access control systems, intrusion and alarm units; computer card operated access control systems; card readers, card encoders, and encoded cards for use with card operated access control systems; video cameras; video object recognizers; video object trackers; video license plate readers; video alarm verifiers; video face recognizers; video vehicle recognizers; video traffic detectors; video access door controllers; video intrusion detectors; processing hardware and software that analyzes digital video images to automatically extract, record and report intelligence, and remote video monitoring systems for security and surveillance applications; central video monitors; video recorders; cameras; closed circuit video systems; closed circuit video system comprising one or more cameras, and a camera housing; short range, wireless, radio frequency transceivers; power line transceivers; communication control hardware for operating closed circuit camera; communication control hardware, namely keypad controllers, matrix switches, multiplexers, digital video recorders, integrated pan-tilt-zoom domes, remote video controllers, receivers, electronic alarm, management controls and triggers, and control panels, electronic apparatus used to control security and access systems comprising locks, doors, access, and identification; devices and security enclosures in the nature of boxes for securing keys; surveillance equipment sold individually or as components of a system or as a system comprising one or more surveillance cameras, covert cameras, close circuit television cameras, camera housings, camera mounts, camera lenses, video monitors, video recorders, digital recorders, video storage media, video switches, control panels, keypad controllers, joystick controllers, interface apparatus for alarms and access control equipment, transceivers, receivers, transmitters, signal processors, multiplexers, matrix switches, controllers, control panel housing, switch housing, transformers switches, splitters, coaxial cables, connectors, motion detectors, microphones and speakers; computer user interface software and control software for managing security, fire and access systems; electric locks; hand-held electronic computer and communication hardware for receiving, controlling, storing, manipulating, displaying and transmitting data for operating electronic locks; electronic key fobs, readers and encoders; data processing software and computer hardware; power supplies, namely batteries, rectifiers/voltage/current regulators and transformers; control panels, namely, electronic apparatuses adapted to electrically monitor a pre-determined activity and activate a burglar alarm; sirens; speakers; and electronic siren drivers, namely, tone generators and amplifiers adapted to be used for sirens; computer software to control communication hardware for operating and controlling closed circuit cameras; switch units incorporating magnetically actuated reed switches for use in burglary and fire sensing alarm systems, in industrial position sensing apparatus, in revolution counters, in equipment safety interlock systems, in industrial position controlling apparatus, in electrical cables and in pump and valve controlling apparatus and home security systems; electronic check apparatus for screening individuals, baggages and contents for the presence of particular substances; electrical and electronic checking apparatus for screening individuals, baggage, and cargo for the presence of explosives and/or narcotics; apparatus for detecting presence of explosives and other contraband; time or condition sensing apparatus for initiating and controlling regeneration or backwash cycles for water treatment equipment; control valves for water conditioning and water filtration equipment; bioreactors for culturing cells; portable instruments based data logger; a probe with nanoelectronic sensor for measurement of organic and inorganic chemicals in water; filters and filter housings for laboratory use; fluid separation apparatus for laboratory use; membrane filters for laboratory use; silt density measuring device; deionization units for laboratory use, filters and filter housings for laboratory use; fluid separation apparatus for laboratory use; membrane for laboratory use; fluid flow control devices, namely, pumps, valves, flow meters and regulators for laboratory use; ozone monitors; laboratory equipment, namely, porous microfilter plates for use in cell biology and other life science applications; electronic water and process treatment controls, namely, apparatus for use in the treatment of commercial and industrial water systems, boiler water systems, cooling water systems, and closed water systems, pulp and paper processing systems, fuel processing systems, and metal processing systems to analyze the chemistry of the system, determine the proper treatment program, apply the desired treatment and monitor the effectiveness of the treatment; computer software for data management in the water treatment and pulp and paper fields; electronic controllers used for processing information in the water treatment and pulp and paper fields; apparatus for use in industrial water systems to measure and control ph and conductivity; apparatus for feeding chemical to an industrial, commercial or municipal water system in measured amounts; electronic test apparatus for use in water treatment; laboratory testing equipment-namely, deposition and corrosion rate testers; mobile laboratory equipped with equipment and instrumentation to monitor and measure ph, conductivity, and chromate concentration of industrial and domestic waters, to conduct inorganic analysis of water and to conduct microbiological testing of water; electronic and electrochemical products, namely, fuel cells; apparatus for converting electromagnetic energy to electrical energy, namely photovoltaic solar modules, photovoltaic solar hybrid modules, electronic sensors for measuring solar radiation, solar cells; apparatus for converting electronic radiation to electrical energy, namely photovoltaic solar modules, systems, components, and all associated balance of system components, printers, laser printers, ink jet printers, multifunction and all in one printers, parts for all the aforesaid goods; electronic handheld units for the wireless receipt and/or transmission of data that enable the user to keep track of or control information that may also have an audio connection, and portable equipment with radio frequency receiving and/or transmitting capacity, and the ability to receive, transmit, and encode and decode information for use in remote controlled systems; computer software for the synchronization of data between a remote station or unit and a fixed or remote station or unit and software which enables and provides one-way and two-way wireless connectivity to data; portable digital electronic devices and software related thereto; handheld electronic devices for the wireless receipt and/or transmission
of data; software for the redirection of messages, e-mail, and/or other data from a personal computer or a server to one or more handheld electronic devices; computer software and program for management and operation of wireless; telecommunications devices; computer software for accessing, searching, indexing and retrieving information and data from global computer networks and global communication networks, and for browsing and navigating through web sites on said networks; computer software for accessing, searching, retrieving short messages and electronic mail and electronic messages; non-text information from the data; handheld electronic devices for data, voice, image and video communication; computer game software for mobile handsets; computer software, software packages; batteries, dry cells, rechargeable batteries, battery chargers, storage batteries, solar cells, fuel cells; carbon, carbon rods for dry batteries, carbon rods for welding use; electric apparatus and instruments; wiring apparatus, connectors (electrical), electric cables, electrical conduits, floor ducts especially for housing electric cables, ballast (for discharge lamps), under carpet wiring systems, dimmer switches, circuit breakers, magnetic contactors and starters, circuit protectors, switch gears, electric junction boxes, appliance switches, outlet sockets, plugs (electrical), insulating materials, electric time switches, other wiring devices; signalling apparatus and instruments, video entry phones, intercom systems, electric door chimes, buzzers, fire alarms, gas leakage alarms, burglar alarms, portable emergency buzzers; acoustic machines and apparatus, radios, cassette tape players/recorders, radio cassette recorders, portable cassette tape players/recorders, music recorders, clock radio, walkman, mini disc players/recorders, minidisc players/recorders, mini disc decks, DVD (digital versatile disc) audio players/recorders, secure digital players/recorders, secure digital card, speakers, tuners, amplifiers, stereo component system, record players, graphic equalizers, clock radios, IC (integrated circuit) recorders, digital sound processors, headphones, earphone, microphones, sing-along cassette players/recorders, compact disc software (recoded), electric megaphones, language laboratories, car audio systems, public address systems, audio mixers, audio equipment cleaners, audio cable, video cable, video other acoustic machines; audio-visual machines and apparatus, television receivers, cathode ray tube displays, cathode ray tubes, image pick up tubes, plasma television receivers, plasma displays, LCD (liquid crystal display) television receivers, liquid crystal displays, combined television receiver with video tape recorder, combined television receiver with disc player, antenna, tuners for satellite broadcasting, tuners for television, Internet terminals, video projectors, video cassette recorders, camcorders, video cameras, video printers, laser disc drives, CD (compact disc) players (digital) software, video cassette players/recorders, color video systems for large-scale display, cable television systems, hard disk drives, video imagers, electric optical display boards, multi purpose electric display systems, closed circuit video equipment systems, DVD (digital versatile disc) software, television cameras, video switchers, non-linear editing systems, editing controller, DVD (digital versatile disc) authoring system, light emitting diode display, other audio-visual machines; optical-disc machines and apparatus; optical disc drives, optical disc players, optical disc changers, optical disc cartridges, optical disc mastering systems; communication machines and apparatus, facsimile transceivers, transceivers, telephones, cellular mobile telephones, carry case for cellular mobile telephone, telephone answering machines, private automatic branch switching systems, global positioning system receivers, radio telephones, marine radars, radio paging receivers, mobile communication systems, multi-channel access radio systems, electric traffic information boards, video conferencing systems, personal handheld phone systems, local area network systems, AV (audio/visual) codec (encoders/decoders), in-car navigation (route guidance system), electronic system for the collection of road tolls, GPS (global positioning system) antenna; checking (supervision) apparatus and instruments, electric door openers, communication and monitoring system for apartment buildings, intruder detection systems, automated system for monitoring and controlling functions within buildings, electric multi-layer security apparatus; automatic controlling machines and instruments, electric distribution boards, traffic-signal control apparatus, bus location system, ultrasonic vehicle detectors, information and telecommunications networks for managing road traffic, light dimmers, daylight switches, inverters, programmable controllers, transformers, cubicles, home electricity generation system, power capacitors; data processing equipment; computer and computer peripheral devices, computers, word processors, computer software (recorded), image scanners for personal computer, printers, PC (personal computer) cards, computer keyboards, mouse (data processing equipment), CD-ROM (compact disc-read only memory) drives, floppy disk drives, card reader/writers, bar code readers, time recorders, handy data terminal, electronic cash registers, point of sales systems, electric payment terminals; digital versatile disc (personal digital assistants), DVD-RAM (digital versatile disc random access memory/read only memory) drive, CAD/CAM (computer aided design/computer aided manufacturing) systems, hard disc drives, electronic calculators, uninterrupted power source for computers / communication / broadcasting; external storage media, video cassette tapes, cleaning tapes, D-VHS (data video home systems), other peripherals for computers; video cassette tapes, audio cassette tapes, floppy discs, optical discs, mini-discs, DVD (digital versatile discs), IC (integrated circuits) memory cards, capacitors and instruments for measuring and measuring instruments; light emitting diode memory systems, portable x-ray dosimeters, electronic counters, ammeters, power consumption meters, clamp meters, electric leakage meters, electric insulation meters, thermometers, measurement system processors, multi-circuit type electric power monitor, micro-precision measurements, body fat monitor, step counter, audio/video analyzers, oscilloscopes, modulators, voltmeters, distortion meters, other measuring apparatus; sensors, photo sensor, temperature sensors, position sensors, angular speed sensors, rotation sensors, angle sensors, dew sensors other sensors; electric components, light emitting diodes, liquid crystals, liquid crystal display module, magnetrons, diodes, transistors, thermostats, integrated circuits, LSI (large scale integration), semiconductor memory devices, one-chip microcomputers, electric condenser microphone cartridge, hallow image processors, thermal printing heads, magnetic heads, permanent magnets, connectors, relays, display components, semiconductor laser, CCD (charge coupled device) image sensor, film capacitor, membrane unit for oxygen enrichment, electric tuner units, high frequency units, coin validating units, bill validating units, magnetic card readers/writers, voltage controlled oscillators, PLL (phase-locked loop) synthesizers, LED (light emitting diode) modules, wireless communication module unit, optical transmission components, printed wiring boards, speaker components, power supplies, AC (alternating current) adapters, convergence magnets, inductors (coils), capacitors for electrical appliances, filters of electric signals, transformers, deflection yokes, thermistors, varistors, piezoelectric ceramics components, acousto-optic devices, resistors, potentiometers, encoders, printer units, hybrid IC (integrated circuit), switch components, heat seal wiring boards, transparent touch panels, electromembrane elements, remote controls, magnetic resistors, electrolytic capacitors, light emitting diode, ceramic flat iron, electric hair curlers, electric hair irons; welding machines, electric arc welding apparatus, welding electrodes, metal cutting machines by arc, gas, or plasma; electric timers; electric pants presses; apparatus for pre-payment, data processing equipment in particular for financial applications; computer operating programs; computer hardware and software, in particular for the development, maintenance and use of local and wide area computer networks; systems for reading cards and systems including integrated reading and data card memories; circuit switch including integrated circuit memories and data card memories; cash dispensing machines; accounting machines; coded cards including magnetic cards and cards including integrated circuits, in particular, for financial applications; apparatus for reading cards, printing apparatus including printing apparatus for data processing systems and financial transaction systems; machines for banking establishments;
encoders and decoders; modems; magnetic coded cards, electronic data carrier cards, magnetic coded card readers, electronic data carrier card readers, electronic encryption units, computer hardware, computer terminals, computer software for use in the financial services, banking and telecommunications industries; electrical and electronic goods, namely calculating machines, pocket platters, alarms and flashlights; banking cards including printed banking cards and banking cards magnetic read/write memories; banking cards including smart cards and integrated circuits and microprocessors; money cards; automatic cash dispensers; equipment for data processing and computers including cards with microprocessors and integrated circuits; computer hardware in the nature of integrated circuit cards and car cards containing transponders and other proximity payment devices; mouse pads.

Cl.10: Surgical, medical, dental and veterinary apparatus and instruments, artificial limbs, eyes and teeth; orthopedic articles; suture materials; test kits for clinical medical use including test tubes, test plates and indicator charts for evaluating test results; medical apparatus and accessories systems for the dispensing of measured unit doses of pharmaceutical preparations; vials for medical use; cannula for medical use; syringes for medical use; injectors for medical use; cartridges for medical use; pre-filled vials containing medical diagnostic reagents; pre-filled cartridges, comprising solutions for administering gases, including gas mixtures for medical use; pre-filled cartridges containing gases for medical use; infusion pumps for intravenous administration of fluids; needles for medical purposes; implantable radiation therapy devices consisting of encapsulated radioisotope brachytherapy sources; radiation therapy delivery system consisting of radioactive seeds and a bio-absorbable carrier; cardiac output monitors; heat and moisture exchangers for medical use; bacteria filters for medical use; gas analyzers for medical purposes; anesthesia record keeping and data management systems and patient monitor systems, namely, gas monitors; pulse oximeters, multiparameter monitors, ECG monitors, invasive and non-invasive blood pressure monitors, neuromuscular transmission monitors, metabolic monitors and spirometers for anesthesia, intensive care and diagnostic applications; anesthesia machines and ventilators; intensive care and anesthesia accessories for single patient use, namely, gas sampling lines, airway adapters, nervous system monitors; gastrointestinal tonometers; gradient coils, namely, magnetic gradient coils used in magnetic resonance imaging; medical diagnostic devices, namely, bone densitometers; fetal monitoring apparatus, namely, fetal pulse and vital signs monitors; patient monitoring apparatus, namely, heart and vital signs monitors medical imaging systems, namely, ultrasounds, medical diagnostic imaging machines, imaging devices for screening and diagnostic applications for use in planning intervention and surgery, and parts thereof and attachments thereto; medical diagnostic apparatus for displaying diagnostic images, namely, spot film apparatus, x-ray image intensifiers, x-ray fluoroscopes, mobile x-ray units, radiographic film viewers, computerized tomography scanners, nuclear resonance scanners, ultra sound scanners, magnetic resonance scanners, positron emission tomography (PET) scanners; and parts thereof and attachments thereto including tables and pads; electronic blood pressure meters, laser medical treatment devices, ultrasonic diagnostic equipment, hearing aids, laser scalpels, electric massagers, handheld vibrators for medical use, low frequency muscle stimulator for medical use, high frequency devices for medical use, electric air mats for bedsores, electric inhalers for therapeutic use, electric heating pads, dental, CCD (charged coupled device) sensor system, medical bone densitometer.

Cl.11: Apparatus for lighting, heating, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes; solar collectors, solar heat collection panels; solar light fixtures, namely, indoor and outdoor solar powered lighting units and fixtures; solar thermal installations, namely solar thermal modules; solar water heaters; roofing, not of metal, incorporating solar cells; domestic electric and gas cooking appliances, namely, cooking rings, gas and electric stoves; gas and electric ovens and cooktops; heat exchangers; chemical heavy wall reactors and nuclear reactor components and component parts thereof, namely, heat pumps, steam valves and valves for regulating the flow of gases and liquids; electric lamps of all kinds and their parts; electric lighting fixtures and their parts; electric refrigerators, freezers, air conditioning apparatus, electric ovens, ranges; microwave ovens for cooking; wall cooking ovens for domestic use; food warming drawers; convection ovens, and electric and gas cook tops; electric and gas cooking ovens and ranges; ventilation hoods for stoves; and ventilating exhaust fans; water filters; water softening units; clothes dryers; electric fans, ceiling fans, flashlights; lamps and lights for vehicle; electric lights for Christmas trees; fluid separation units; fluid concentration units; fluid recycling units; polymer membranes; liquid filtration units; fluid concentration of fluids; filter apparatus used for filtering solids from gases and liquids or filtering liquids from gases, and for filtering one immiscible liquid from another; spirally-wound elements or cartridges contained within a tubular plastic sleeve for concentrating products and removing impurities in fluid treatment systems; water conditioning units for residential purposes; reverse osmosis modules and membranes therefore; water purification units and systems consisting of clarifiers, electro deionization systems, condensate polishers, vacuum degasification units, ultra filtration units, ultraviolet sterilizers, ion exchangers, acid and caustic regeneration systems, reverse osmosis systems, forced draft dehumidifiers, units, filters, chemical feed systems and bulk storage units, sold with automatic controls and instruments to monitor operating parameters of the units and systems electrochemical liquid purification units for use in the industrial, commercial and municipal sectors; water filtering units for domestic, commercial and industrial use; waste water purification units; water purifying units for potable water for domestic, commercial and industrial use; fluid separation units, namely industrial fluid filters; recycling units, namely, fluid purification units; waste treatment equipment, namely, cartridge products; water treatment equipment for household use, namely, water softeners and water conditioners, media filters and depth filters for removing sediments, iron, sulfur, tastes and odors from water; reverse osmosis water purification; depth filter units and depth filter cartridges for liquid and air filtration for domestic, industrial, and commercial use; disposable cartridge filters for industrial water filtration; apparatus and installations for lighting, incandescent lamp, grow switch starters, screw-in fluorescent lamp, fluorescent lamp, tungsten halogen lamps, flash lights, fluorescent lanterns, other lamps, fluorescent lighting fixtures, dynamic lighting sets for bicycles, germicidal lamps, electric insect killers, other lighting fixtures; apparatus and installations for cooking, automatic bread makers for domestic use, electric kettle, electric rice cooker, gas fuelled rice cookers, slow cookers, electric roasters, ovens for cooking, toasters, coffee makers, electric cooking stoves, electric thermo pots, gas cookers, induction heating hobs, electric barbecue griddles, blenders, juicers, hand mixers, food processor, meat grinders, electric can openers, electric knife sharpeners, microwave ovens, gas cooking stoves with ovens, electric frying pans, sinks, other cookers; apparatus and installations for refrigeration and freezing, refrigerators, freezers, cold/hot water dispensers, freezing and refrigerating showcases, electric water coolers, electric ice makers; ventilating apparatus and instruments, electric fans, ventilating fans, electric air purifiers, extraction hoods for cookers, electric dehumidifiers, electric humidifiers, blowing machines, air curtains, air handling units, ceiling fans, roof ventilators, electrostatic precipitator, parts and fittings therefor, all included in class 11, other ventilating apparatus and installations; apparatus and installations for heating, steam-generating, drying, cooling and air-
conditioning, air conditioners, fan coil units for air-conditioning, evaporative air refreshing apparatus, stoves, electric space heaters, electric blankets, electric floor carpets, kerosene fan heaters, electric foot warmers (kotatsu), gas cordless warmers, other installations for heating/cooling and air conditioning; water supply apparatus; installations for sanitary purposes, electric bidets, toilets, washing toilet seats, portable toilets, sewage aeration treatment systems, water purifiers, incinerators (trash burners), kitchen waste processors, sauna baths, bathtubs, bath installations, electric home shower; water heaters, gas instantaneous water heaters, other water heaters; dryers, dish dryers, electric hair dryers, clothes dryers, other dryers.

Cl.12; Vehicles; apparatus for locomotion by land, air or water; tires for vehicles; electric motors and diesel engines for land vehicles; bicycles, bicycle tires and tubes, automatic guided vehicles, electric power assisted bicycles; tires.

Cl.14; Precious metals and their alloys and goods in precious metals or coated therewith, not included in other classes, in particular commemorative coins and medals; jewellery, precious stones; lapel badges and pins; horological and chronometric instruments.

Cl.16; Paper, cardboard and goods made from these materials, not included in other classes; printed matter, in particular stamps; bookbinding material; photographs; stationery; adhesives for stationery or household purposes; artists' materials; paint brushes; typewriters and office requisites (except furniture); instructional and teaching material (except apparatus); plastic materials for packaging (not included in other classes); printers' type; printing blocks; computer printed matter; cheque books, credit cards, punched cards; computing for newspapers and periodicals; paper shredders, electric staplers, battery-operated letter openers, electric pencil sharpeners, electric hole punches, electronic print boards, electronic typewriters, ribbon cassettes for electronic typewriters, cheque printing machines, thermal papers; babies' napkins, babies' napkin-pants [diaper-pants] of paper and cellulose, disposable.

Cl.17; Rubber, gutta-percha, gum, asbestos, mica and goods made from these materials and not included in other classes; plastics in extruded form or for use in manufacture; packing, stopping and insulating materials; flexible pipes, not of metal; silicone sealants for a variety of uses such as for bath tub caulking, sealing boats and automobiles; silicone transferred wear, water or vapor, silicone rubber roof coating; plastic panels for building construction purposes; plastic glazing compounds; plastic in the form of sheets, plates, foils, blocks, all for use in manufactures; electric insulation material, electric insulators such as insulating varnish, silicone rubber compounds; thermal insulating material, thermoplastic materials used as building materials for insulating, roofing and glazing; plastic material in the form of sheets, rods or foils, molding materials; PVC (polyvinyl chloride) lined water pipes.

Cl.18; Leather and imitations of leather, and goods made of these materials and not included in other classes; animal skins, hides; trunks and travelling bags; umbrellas, parasols and walking sticks; whips, harness and saddlery.

Cl.19; Building materials (non-metallic); non-metallic rigid pipes, for building; asphalt, pitch and bitumen; non-metallic transportable buildings; monuments, not of metal; thermoplastic building and construction materials, namely, molded or extruded thermoplastic materials used as wood material, roofing, support or glass substitutes; doors (not of metal), rain gutters, ceiling panels, folding doors, wood flooring, sound insulating sheets, roof tiles, prefabricated houses, laminates, sidings, steps [ladders] (non-metallic), sound proof materials.

Cl.25; Clothing, footwear, headgear.

Cl.28; Games and playthings; gymnastic and sporting articles not included in other classes; decorations for Christmas trees, playing cards; electric fishing floats, devices for tying fishing lines to fishing hooks, electronic golf exercises, wax applicators for ski, stationary exercise bicycles and rollers.

Cl.29; Meat, fish, poultry and game; meat extracts; preserved, dried and cooked fruits and vegetables; jellies, jams, compotes; eggs, milk and milk products; edible oils and fats.

Cl.30; Coffee, tea, cocoa, sugar, rice, tapioca, sago, artificial coffee; flour and preparations made from cereals, bread, pastry and confectionery, ices; honey, treacle; yeast, baking-powder; salt, mustard; vinegar, sauces (condiments); spices; ice.

Cl.32; Beers; mineral and aerated waters and other non-alcoholic drinks; fruit drinks and fruit juices; syrups and other preparations for making beverages.

Cl.35; Advertising; dissemination of advertising matter via all media, in particular in the form of thematic messages centred on human values; publicity through sponsoring; business management; business administration; office functions; promoting the goods and services of others by means of contractual agreements, in particular of sponsoring and licensing, enabling partners to gain additional notoriety and/or image and/or liking derived from those of cultural and sporting events, in particular international; promoting the goods and services of others by the means known as initial interest factor leading the public to consider, among a multitude of competitors, goods or services which are presented to the public bearing signs, emblems or messages able to capture their attention; promoting the goods and services of others by means of image transfer; rental of advertising space of all kinds and on all carriers, digital or not; administration of the participation of national teams to an international athletic competition, and promoting the support to said teams with the public and the concerned circles; inventory control services; consultation in the field of inventory control services; acquisition integration services; direct marketing advertising for others featuring database marketing; consultation in the field of direct marketing advertising for others featuring database marketing; business reorganization consulting services; truck and automobile fleet management services, namely voyage reporting and invoicing via a global computer network; consultation in the field of truck and automobile fleet management services; business administration consulting services; operation and management of power plants of others; consultation in the field of operation and management of power plants, business services, namely the administration of repair and services contracts, supply chain management and consulting services in the areas of chemical product and service sourcing and procurement, product inventory and supply management and cost containment; consulting, marketing, cost and pricing analysis relating to electrochemical liquid purification units for use in the industrial sector; retrieval of data, images, audio, video and documents, including text, cards, letters, messages, mail, animations and electronic mail, over local or global communications networks, including the internet, intranets, extranets, television, mobile communication, cellular and satellite networks; administrative, commercial and technical computerized file management; data entry and data
processing; consultancy in computerized management; rental of computer files; management of computer servers and data transmission networks of higher value (multimedia systems, videotex, international telecommunications computer networks) retail services for electric and electronic machines and apparatus (the bringing together, for the benefit of others, of variety of goods enabling customers to conveniently view and purchase these goods in an electrical retail store) services relating to computer information, commerce, business and/or financial information agencies; services relating to photocopiers; promoting the sale of goods and services of others including by means of advertisements, promotion contests, discounts and incentives in the nature of sweepstakes, rebates, reward points, and value added offers generated in connection with the use of payment cards; promoting sports competitions and events of others; promoting concerts and cultural events of others, organisation of expositions having commercial or advertising purposes; provision of display advertising, namely outdoor advertisements, advertising on billboards, advertising to the detriment of the distribution of samples, document reproduction; advertising regarding commercial sales promotion of goods and services at the retail level; providing information relating to e-commerce and electronic retail; providing information regarding purchase of goods and services on-line via the Internet and other computer networks; tourist documentation services namely, advertising for transport, travel, hotels, lodging, food and meals, sports, entertainment and sightseeing, for tourist agencies services, and for information relating to tariffs, timetables and methods of transport and travel arrangements.

Cl.36; insurance; financial affairs; banking, monetary affairs; real estate affairs, credit card services, financing of sporting and cultural activities; rental of buildings and outbuildings designed for hosting business entertainment; asset based and private label financing services; financial analysis and consultation; credit card financial services; credit card services, namely, extension of credit to others; financial asset management for others; insurance and re-insurance services, namely, underwriting services for all types of insurance; equity investment services; insurance underwriting services in the field of bonds; financial guarantee assurance underwriting services; personal loan financing; mortgage banking services; acquisition financing services; commercial financing services; commercial real estate agency services; mortgage investment; private equity and debt investment; consultancy, advisory and information services relating to all the foregoing services; leasing and rental of mobile and modular buildings, insurance brokerage services, credit agency services in the fields of consumer and commercial credit, real estate loan financing services and banking and financial services; computerized services in connection with financial and monetary operations relating to electronic commercial transactions; banking, among other, the use of bank cards or store account cards; clearing-house services; issuing of cheques and letters of credit; financial services; insurance services; financial operations; bill payment services; debt card services; charge card services; electronic credit and debit card services; e-commerce services; electronic funds transfer; smart card and electronic cash services; cash disbursements services; cash replacement rendered by credit card and debit cards; electronic cash transactions; cheque verification; cheque cashing; deposit access and automated teller machine services; payment processing services; transaction authentication and verification services; providing financial information via a global computer network; sponsoring musical concerts and festivals; financial services for the purchase of goods and services at retail level at the point of sale for promotional purposes; information services in the tourist field, namely finance information; services in regard to financial matters for the assistance of tourists.

Cl.37; Building construction, repair, installation and maintenance services; construction, installation, repair, replacement, overhaul and maintenance of power plants, engines, turbines, wind turbines, motors and apparatus, equipment and instrument for the generation of power and electricity and their component parts, fillings and accessories; installation, maintenance and repair services for compressors and pumps, namely machines, turbo expanders, fuel pumps and fuel distribution equipment, CNG refueling equipment, gas turbines, steam turbines, air cooled heat exchangers, steam condensers, high wall reactors and tubular reactors; oil and gas pipeline maintenance and repair services; drilling and pumping of oil and gas; drilling for crude oil; oil well casing, tubing and drill pipe installation; rental of oil and gas well drilling tools; remote monitoring and diagnostic repair and maintenance services rendered in the repair and maintenance of aircraft engines, turbines, electrical equipment, medical equipment, locomotives including accessories and component parts of all the foregoing; construction equipment leasing; chemical cleaning services for glass-lined reactor vessels used in the chemical and pharmaceutical processing industries; maintenance services for heat transfer systems and condensers; maintenance and repair services in the field of computerized cooling system equipment, portable generators rendered in the field of machinery, instrument and electrical equipment; pumps; oil and gas maintenance and repair services; services relating to the installation of point of sale terminals in shops; computer maintenance; electric appliance installation and repair, repair of radio receivers and television receivers, repair and maintenance of electrical communication apparatus and instruments, repair and maintenance of household electric appliance, repair and maintenance of electric lighting apparatus, repair and maintenance of power distribution and control apparatus, repair and maintenance of electric motors, repair and maintenance of measuring and/or testing machines and instruments, repair and maintenance of medical apparatus and instruments, repair and maintenance of metalworking machines and tools, repair and maintenance of water purifying apparatus, repair and maintenance of musical instruments, watch and clock repair and maintenance, repair and maintenance of gas water heaters for household purposes, repair and maintenance of bath equipment, repair of toilet stool units with washing water surroundings; installation/maintenance and repair of computer hardware, repair and maintenance of air conditioning apparatus, office machines and equipment installation/maintenance and repair, machinery installation, maintenance and repair, vehicle repair, repair and maintenance of electrical communication apparatus and instruments, repair and maintenance of computers, repair and maintenance of electronic printers, telephone repair, electrical works, equipping for telecommunication; installation, maintenance and repair services for compressors, pumps, namely, machines, turboexpanders, fuel pumps and fuel distribution equipment, CNG refueling equipment, gas turbines, steam turbines, air cooled heat-exchangers, steam condensers, high wall reactors and tubular reactors.

Cl.38; Telecommunication services, television broadcasting (live or pre-recorded); communications by mobile telephones; communications by electronic computer terminals, databases and Internet related telecommunications networks; telecommunications by facsimile; paging by radio; communications by teleconferencing; cable television broadcasting; radio broadcasting; press and information agency services; other message transmission services; broadcasting of a commercial site on the Internet; radio and television programming and broadcasting services provided via the Internet; electronic messaging; providing access to computer bulletin boards, and real-time chat forums; transmission of messages and images via computer; providing access to home and office shopping and ordering services via computer and/or interactive communication technologies; telecommunication of information (including web pages), computer programs and any
other data; electronic mail services; providing user access to the Internet; providing telecommunications connections to the Internet or databases; providing access to digital music web sites on the Internet; providing access to MP3 web sites on the Internet; rental of access time to a central database (telecommunications); providing access to search engines; management of chat forums on the Internet; rental of access time to a central server database; rental of access time to a computer database (telecommunications); simultaneous broadcasting of films and of video and sounds records, in particular via electronic interconnexions; leasing of telephone sets, facsimile and other communication equipment; e-mail service; wireless data messaging service, particularly service that enable a user to send and/or receive message through a wireless data work; one-way and two-way paging services; electronic transmission of data, images, audio, video and documents, including text, cards, letters, messages, mail, animations and electronic mail, over local or global communications networks, including the internet, intranets, extranets, television, mobile communication, cellular, and satellite networks; electronic transmission of computer software over local or global communications networks, including the internet, intranets, extranets, television, mobile communication, cellular, and satellite networks; portal web site services; providing access to databases and local or global communications networks, including the internet, intranets, extranets, television, mobile communication, cellular, and satellite networks; message transmission/relay services, namely, electronic transmission of messages; telecommunication services for the dissemination of information by mobile telephone, namely, the transmission of data to mobile telephones; mobile telephone communication services; transmission and reception of voice communication services; value added network transmission and receive services; telecommunications services by data transmission and by multimedia networks; electronic mail.

Cl.39; Transport; packaging and storage of goods; travel arrangement; storage services for carriers containing immobile and mobile images; transmission of oil or gas through pipelines; automobile, aircraft, railroad and marine vessel leasing; chemical delivery and storage services in the field of water treatment and pulp and paper making systems; leasing of shipping containers; boat transport; vehicles reservation services; travel services, namely travel information services, reservation services and pre-trip planning assistance services with the exception of all services relating to the endorsement in a passport or similar document signifying the document is in order and permitting the bearer to travel into or through the country of the government issuing it; distribution of printed materials; travel ticket reservation services; information services in the tourist field, namely transportation information services; information services in the tourist field, namely ticket reservation information services for transportation, travel and sightseeing; information services in the tourist field, namely activity scheduling information services for sightseeing and transportation; services in regard to transportation for the assistance of tourists, with the exception of all services relating to the endorsement in a passport or similar document signifying the document is in order and permitting the bearer to travel into or through the country of the government issuing it; tourist reservation services with the exception of all services relating to the endorsement in a passport or similar document signifying the document is in order and permitting the bearer to travel into or through the country of the government issuing it, namely travel ticket reservation and transportation reservation services; information relating to tariffs, timetables and methods of transport; tourist assistance services in regard to ticket reservations for transport, travel and sightseeing, with the exception of all services relating to the endorsement in a passport or similar document signifying the document is in order and permitting the bearer to travel into or through the country of the government issuing it; tourist assistance services in regard to activity scheduling for sightseeing, with the exception of all services relating to the endorsement in a passport or similar document signifying the document is in order and permitting the bearer to travel into or through the country of the government issuing it; tourist reservation services with the exception of all services relating to the endorsement in a passport or similar document signifying the document is in order and permitting the bearer to travel into or through the country of the government issuing it, namely ticket reservation services for transport, travel and sightseeing.

Cl.40; Treatment of materials; developing of films for movies; enlarging of photographs, printing of photographs, developing of films for photographs; leasing or rental of machines and instruments for developing, printing, enlarging or finishing for photography; oil production services; gas production services; oil and gas well treatment services; oil and gas refining services; wastewater treatment services; water treatment services, namely, desalination, purification, conditioning, identifying and controlling microbiological organisms, cleaning of ion exchange resins; membrane regeneration services.

Cl.41; Education; providing of training; entertainment; sporting and cultural activities, television sports and cultural entertainment; organization of cultural and educational exhibitions; organization of lotteries and competitions; betting and gaming services relating to or in conjunction with sport; entertainment services provided at or relating to sports events; organisation of sporting and cultural events and activities; organisation of real or virtual sporting competitions; management of sporting facilities; rental services for audio and video equipment; production, presentation, distribution of films and video and sounds recordings; rental of films and video and sounds recordings; electronic transmission of data, images, audio, video and documents, including text, cards, letters, messages, mail, animations and electronic mail, over local or global communications networks, including the internet, intranets, extranets, television, mobile communication, cellular, and satellite networks; electronic transmission of computer software over local or global communications networks, including the internet, intranets, extranets, television, mobile communication, cellular, and satellite networks; portal web site services; providing access to databases and local or global communications networks, including the internet, intranets, extranets, television, mobile communication, cellular, and satellite networks; message transmission/relay services, namely, electronic transmission of messages; telecommunication services for the dissemination of information by mobile telephone, namely, the transmission of data to mobile telephones; mobile telephone communication services; transmission and reception of voice communication services; value added network transmission and receive services; telecommunications services by data transmission and by multimedia networks; electronic mail.
management and medicine; design, organisation and conducting of courses, seminars and all training activities in the field of computers; organizing and realizing concerts; booking services for shows; cinema presentations; entertainment information; film production; production of shows; theatre productions; providing golf facilities; health club services; sport camp services; presentation of live performances; movie theatre presentations; organization of shows [impressario services]; holiday camp services [entertainment]; movie studios; news reporters services; providing on-line electronic publications, not downloadable; education services, namely, conducting classes, seminars, presentations, video presentations, provision of educational material namely, disseminating materials in the area of financial literacy; education services in the tourist field; information services in the tourist field, namely ticket reservation information services for entertainment; information services in the tourist field, namely entertainment information services; information services in the tourist field, namely activity scheduling information services for sports, culture and entertainment; services in regard to entertainment for the assistance of tourists; tourist reservation services, namely entertainment and activity reservation services; tourist assistance services in regard to ticket reservations for entertainment; tourist assistance services in regard to activity scheduling for sports, culture and entertainment; tourist reservation services, namely ticket reservation services for entertainment.

Cl.42: Scientific and technological services and research and design relating thereto; industrial analysis and research services; laboratory analysis; design and development of computer hardware and software; services relating to wind and wind power, namely professional consulting services and engineering services; design for others in the field of wind power; industrial design services; design of power, wind power and electric power generating equipment and installations; engineering services, technical consultation and research services in the oil and gas industries; oil and gas exploration services; geophysical exploration for the oil and gas industries; analysis of oil and gas fields; oil and gas prospecting, namely, well logging and testing; oil and gas well testing; oil and gas pipeline inspection; remote monitoring and diagnostic services for compressors, pumps, turboexpanders, fuel pumps and fuel distribution equipment, CNG refueling equipment, gas turbines, steam turbines, air cooled heat exchangers, steam condensers, heavy wall reactors and piping; information services in the field of global oil and gas solution services; installation of computer software and computer equipment and medical system leasing; research, consultation, and advisory services relating to engineering, design and development problems encountered by utility, industrial, and commercial companies, governments, and individuals; computer programming services for others; computer software design and analysis services for others; computer consultation services; maintenance and updating of computer software and computer systems for others; installation of computer software; computer systems analysis and design services for others; consultancy services relating to chemical research; consultancy services relating to the discovery and evaluation of drugs and compounds having diagnostic, prophylactic and/or therapeutic properties; technical support services; consultancy services relating to methods for diagnosis using laser based optical systems; high through put screening assays for drug development services; customer synthesis, analytical and diagnostic services; biotechnological services; technical support services for factory automation software, namely, providing maintenance of computer software and providing periodic upgrades of software; custom design of security access systems; design and consulting services in connection with the configuration of systems used in applications supporting fiber optic technology; technical support services, namely troubleshooting of problems with computer hardware, video and electronic communication hardware, and software; technical consultation services for software and software used in connection with security and access systems; technical consultation services for surveillance cameras; custom design services for others in the fields of security systems, access systems, and tangible asset and inventory monitoring systems; laboratory and testing services for fluid separation and membrane testing; engineering and consulting services in the fields of water treatment, aqueous systems, cooling water systems, industrial boiler water systems, industrial water and process systems, industrial fuel processing system treatment, pulp and paper making system treatment, and metal and plastic processing system treatment; engineering services and technical support services related to the design and configuration of computer software and hardware systems to be used in the treatment of aqueous system and in the treatment of pulp and paper making systems, petroleum and petrochemical processing systems, and metal and plastic finishing operations; providing information to others, over a global computer network, relating to industrial water purification systems; advisory services related to all the aforesaid; chemical control system services relating to the feeding of treatment chemicals through industrial water systems; programming for data processing machines, among other, programming services in the field of electronic money (services); computer programs assuring the security of data transfers; research and industrial development in the field of computers; all technical consultancy in the field of computers; creation and maintenance of computer data bases and computer programs; leasing access time to a computer data base; computer engineering services and internet services; consultation in the fields of computers programming and data processing, in particular, in regard to financial transactions; hosting computer sites [web sites]; installation of computer software; maintenance of computer software; providing search engines for the internet; quality control; recovery of computer data; research and development for others; technical project studies; surveying; updating of computer software; maintenance of computer software; engineering, testing and research relating to electric machines, apparatus and instruments, computer rental.

Cl.43: Services for providing food and drink; cafeteria and restaurant services; welcoming services, namely providing food and drink; catering services; booking of temporary accommodation and hotel rooms; providing infrastructures for business entertainment; bar services; cafes; rental of meeting rooms; tourist homes; information services in the tourist field, namely lodging information services; information services in the tourist field, namely information on provision of food and meal; services in regard to lodging for the assistance of tourists; services in regard to provision of food and meals for the assistance of tourists; tourist reservation services, namely hotel reservation and food and meal reservation services; information services in the tourist field, namely, reservation information services for hotel, lodging, food and meals; tourist assistance services in regard to reservations for hotels, lodging, food and meals; tourist reservation services, namely reservation services for hotels, lodging, food and meals.

Cl.44: Medical services; medical and pharmaco-toxicological controls; veterinary services; hygienic and beauty care for human beings or animals; agriculture, horticulture and forestry services; consultancy services relating to medical and diagnostic imaging; consultancy services relating to diagnostic, prophylactic and therapeutic properties of pharmaceuticals; medical information services; medical imaging services; medical diagnostic services; advisory services related to all the aforesaid.
