Cl.7;Machines and machine tools for treatment of materials and for manufacturing; motors and engines, drives and
general machine parts; dispensing machines; conveyors; robots, pumps; machines for bakeries; kneading machines;
kneading installations; dough resting machines; stirring and beating machines for dough; dough hoists; mixing
machines; blending machines; coating machines; fluid bed machines, fluid bed dryers; granulators; machines for food
manufacturing; machines for manufacturing pharmaceutical products; machines for manufacturing chemical products;
bakery machines; machines for brewing; mechanical feeding apparatus, mechanical emptying apparatus and conveyors
for the aforesaid installations; machines and installations, consisting mainly of one or more of the following goods; parts
and fittings for all the aforesaid goods, included in this class.

Cl.9;Information technology and audiovisual equipment; safety, security, protection and signalling devices; measuring,
detecting and monitoring instruments, indicators and controllers; scientific research and laboratory apparatus,
educational apparatus and simulators; metering apparatus for kneading, blending and mixing machines and for kneading
installations; regulating and control apparatus and data processing equipment for kneading, blending and mixing
machines and for kneading installations; measuring probes; electric and electronic measuring and control apparatus;
cooking, heating, refrigerating and other apparatus and equipment for treatment of foodstuffs and beverages.

Cl.11;Drying installations; fluid bed dryers, microwave dryers; refrigeration equipment; parts and fittings for all the
aforesaid goods, included in this class; filters for industrial and household use.

Cl.30;Processed cereals and starches for foodstuffs, and goods made therefrom; baking preparations and yeast; pre-
dough for manufacturing bread and baked goods.

Cl.1; Chemical substances, chemical materials and chemical preparations, in particular preparation for tempering and soldering metals, welding chemicals, brazing fluxes, soldering fluxes, thread cutting preparations, antifreeze, refrigerants and cryogens, disincrustants and anti-incrustants; salts for industrial purposes.

Cl.3; Cleaning preparations, polishing preparations, degreasers (other than for use in manufacturing processes) and abrasive preparations, in particular canned pressurised air for cleaning and dusting purposes, impregnated cleaning, dusting or polishing cloths.

Cl.4; Industrial oils and greases; lubricants; preparations for absorbing dust, dust wetting compositions and dust controlling compositions.

Cl.6; Common metals and their alloys; building and construction materials and elements of metal, in particular pipes of metal, valves of metal (other than parts of machines), valves of metal (other than being parts of machines), including valves of steel alloys and titanium, metal expansion joints for piping and ducting, wire cloth, framework of metal for building, vent covers of metal for heating, ventilation and air conditioning ducts (HVAC ducts); non-electric cables and wires of common metal; rods of metal for brazing and welding including those from alloy steel and titanium; silver solder; ironmongery, small items of metal hardware, in particular clips of metal for cables and pipes, sleeves (metal hardware), brackets of metal, hooks (metal hardware) and flanges of metal (collars).

Cl.7; Pumps, compressors and fans, in particular pumps for heating installations; machines and machine tools for the treatment of materials, in particular machines for the treatment of metals and plastics, drilling machines, thread-cutting machines; parts and fittings for all the aforesaid goods, in particular control valves for pumps, regulating valves for controlling flows of gases and liquids, lubricating pumps.

Cl.8; Hand tools and implements (hand-operated) for the treatment of materials and for building, repair and maintenance, in particular gimlets (hand tools), pliers, saws and thread cutters.

Cl.9; Measuring, detecting and monitoring instruments, measuring, detecting and monitoring devices and measuring, detecting and monitoring regulators, in particular thermostats, thermometers, not for medical purposes, manometers; hydrometers, water meters, electric and electronic controllers for heating apparatus and heating installations; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity, in particular distribution boxes, cable conduits, electricity ducts, electric cables, wires, cable clips and junction sleeves for electric cables; parts and accessories for all the aforesaid goods, included in this class.

Cl.11; Sanitary installations, water supply and sanitation equipment, in particular toilets (water-closets), taps (cocks, spigots) for pipes, flexible pipes being parts of bath plumbing installations; regulating and safety accessories for water apparatus, in particular, taps (faucets) and mixer taps for water pipes; apparatus for heating, ventilating, air conditioning and air purification and installations for heating, ventilating, air conditioning and air purification, in particular burners, boilers, radiators, floor heaters, taps (faucets), thermostat valves (parts of heating installations); regulating and safety accessories for gas pipes; parts and fittings for all the aforesaid goods, included in this class, in particular boiler pipes (tubes) for heating installations, washers for water taps.

Cl.17; Flexible pipes, tubes, hoses and fittings therefor, including valves, non metallic, in particular flexible hoses for conveying liquids; gaskets, caulking materials and filling compounds, in particular jointing compounds for pipes, joint tape for pipes, joint sealants for pipes, seals for pipe connections, rings of rubber for use as pipe connection seals, rings of metal for use as pipe connection seals, elastic threads, not for use in textile, lute, insulating, damping and barrier materials, in particular insulating material for pipes, insulated pipe supports, not of metal; adhesive bands other than stationery and not for medical or household purposes.
Cl. 19: Linings for building (not of metal), refractory boards and panels for building (not of metal), skirting boards (not of metal), vent covers, not of metal, for heating, ventilation and air conditioning ducts, fabrics for floor underlays, nets and fabrics (not of metal) for building; rigid pipes, not of metal (building), in particular rigid pipes of polypropylene for the supply of drinking water, heating system and air conditioning systems, in houses, offices building and industrial buildings, polyethylene pipes for geothermal heating and cooling systems.

Cl. 20: Valves, not of metal, other than parts of machines; collars, not of metal for fastening pipes; clips not of metal, for cables and pipes; non-metal hooks; dowels, not of metal.

Cl. 22: Raw textile fibres and substitutes therefor, in particular sealing materials of textile, hemp fibres; goods of fabric and fibres, namely awnings, tarpaulins, nets.

Cl. 23: Hemp base mixed thread and yarn.

Cl.7; 3d printers; parts for 3d printers.

Cl.9; Data processing equipment and computers; 3d scanners; hardware, software and sensors; computer software, including software for use with 3d printers; computer software for managing and coordinating the planning and management of groups of 3d printers; computer software for data collection, inventory, archiving, processing, manipulating, transmitting and receiving data with respect to 3d printers; computer software for the image processing, including the processing of medical images; computer programs (software) for controlling 3d printers; software for the purpose of the manufacture of products by means of a 3d printer, including medical products; downloadable electronic publications, including user manuals; optical apparatus and instruments; eyeglasses; sunglasses; eyeglass frames; lenses; spectacle cases or sleeves, spectacle cases; contact lenses; binoculars; portable computers; portable smartphones; portable computer peripherals; smart watches; anatomical models used as instructional apparatus; scanning equipment.

Cl.10; Surgical, medical, dental and veterinary apparatus and instruments; artificial limbs, artificial eyes and artificial teeth; orthopedic articles; suture materials; non-living implants; orthopedic insoles; orthopedic fixation devices; orthopedic support devices; orthopedic footwear; orthopedic apparatus; medical instruments and devices for analyzing and measuring feet, foot pressure and soles; artificial anatomical implants; anatomical models for diagnosis [medical diagnosis devices]; diagnostic, research and monitoring devices and instruments for medical use.

Cl.11; Lighting installations; lighting equipment and lighting fixtures and equipment; lamps.

Cl.14; Precious metals and their alloys; jewelry, costume jewelry, precious stones; horological and chronometric instruments; chronoscopes; watchbands; watches.

Cl.16; Paper, cardboard; printed matter; bookbinding material; photos; stationery; adhesives for stationery or household purposes; artists' materials; paint brushes; typewriters and office requisites (except furniture); instructional and teaching material (except apparatus); plastic materials for packaging, not included in other classes; letters; printing blocks; printed user manuals including medical user guides; anatomical models used as instructional material.

Cl.20; Furniture, mirrors, picture frames; statues, artworks and designs [ornaments] of wood, wax, plaster or plastic.

Cl.25; Clothing, footwear, headgear.

Cl.35; Advertising; advertisement designing services, business management; business administration; administrative services; retail services relating to software and hardware; advertising and promotion of goods or services from third parties, to allow customers to conveniently view and compare the goods and services of the vendors; retailing and business mediation in the sale of products in the field of medical devices, (building) materials, jewelry, 3d printers, furniture, home accessories, clothing and other goods that can be produced by 3d printers; arranging of advertising services and advertising; distribution of advertising material; management of archive and information databases; management of administrative records, whether or not digital; business management to support the commercialization of products and services in the context of e-commerce; administrative and commercial management of projects related to the development, specification, installation and implementation of computer systems; business management of business processes and business consultancy; commercial and industrial management assistance; data collection and systematization in a central file; designing, structuring, managing, updating and customizing databases; management and compilation of computerised databases; provision of business information from databases; advice, consultancy and
information regarding the aforesaid services, also provided via electronic networks such as the internet.

**Cl.40:** 3d printing; advice, consultancy and information regarding the aforesaid services, also provided via electronic networks such as the internet.

**Cl.42:** Scientific and technological services and related research and design; scientific and technological services for medical purposes; services in the field of industrial analysis and research; design and development of computer hardware and software; design and development of computer hardware and software of and for 3d-printers; graphic designs, in particular the making of volume drawings for the design of prototypes; technical drawing; design of 3d visualizations and prototypes; product development and product design; design of clothing, industrial design, interior design and graphic design; design and development of anatomical models; advice, consultancy and information regarding the aforesaid services, also provided via electronic networks such as the internet; medical research services.

**Cl.44:** Compiling and preparing medical treatment protocols and guidelines; health care; providing information with regard to surgical, medical, dental and veterinary instruments and apparatus in the context of the provision of medical treatment; preparation of medical advice; advice, consultancy and information regarding the aforesaid services, also provided via electronic networks such as the internet.

Cl.20: Furniture; mirrors; picture frames; mattresses; clothes hooks, not of metal; coat hangers; coatstands; decorative wall plaques, made of plastic or wood; baskets, not of metal; trays, not of metal; works of art of wood, wax, plaster or plastic; pillows; cushions.

Cl.21: Glassware; porcelain; earthenware; earthenware not included in other classes; dishes; plates; jars; bowls; mugs; cups; glass candlesticks; candlesticks.

Cl.35: Retail services in respect of furniture, mirrors, picture frames, pillows and cushions, mattresses, clothes hooks, coat hangers, coatstands, decorative wall plaques, not of textile, baskets, trays, works of art, containers for household use, glassware, porcelain and earthenware, candlesticks, lamps, bed covers, carpets and other home and office furnishings; advertising; business management; business administration; office functions; administrative processing of purchase orders; commercial information and advice for consumers [consumer advice shop]; demonstration of goods; distribution of samples; on-line advertising on a computer network; organization of exhibitions for commercial or advertising purposes; demonstration of goods for promotional purposes; organization and conducting of product presentations; presentation of goods on communication media, for retail purposes; presentation of goods on communication media, for wholesale purposes; distribution of samples; customer club services, for commercial, promotional and/or advertising purposes; customer loyalty services for commercial, promotional and/or advertising purposes; organization, operation and supervision of sales and promotional incentive schemes; demonstration of goods and services by electronic means, also for the benefit of the so-called teleshopping and homeshopping services; advertisement via mobile phone networks; advertising; advertising and marketing; advertising in periodicals, brochures and newspapers; advertising in the popular and professional press; advertising particularly services for the promotion of goods; advertising, including on-line advertising on a computer network; advertising services provided via the internet; advertising services for the promotion of e-commerce; brand positioning services; arranging of product launches; computerised business promotion; market campaigns; electronic commerce services, namely, providing information about products via telecommunication networks for advertising and sales purposes; product launch services; product marketing; sales promotion; administration relating to sales methods; administrative processing of purchase orders; administrative processing and organising of mail order services; advice and information about customer services and product management and prices on internet sites in connection with purchases made over the internet; retail store services related to sale of furniture, mirrors, picture frames, pillows and cushions, mattresses, clothes hooks, coat hangers, coatstands, decorative wall plaques, not of textile, baskets, trays, works of art, containers for household use, glassware, porcelain and earthenware, candlesticks, lamps, bed covers, carpets and other home and office furnishings; mail order retail services connected to the sale of furniture, mirrors, picture frames, pillows and cushions, mattresses, clothes hooks, coat hangers, coatstands, decorative wall plaques, not of textile, baskets, trays, works of art, containers for household use, glassware, porcelain and earthenware, candlesticks, lamps, bed covers, carpets and other home and office furnishings; advertising, marketing and promotional services; business assistance, management and administrative services; retail services in relation to furniture, mirrors, picture frames, pillows and cushions, mattresses, clothes hooks, coat hangers, coatstands, decorative wall plaques, not of textile, baskets, trays, works of art, containers for household use, glassware, porcelain and earthenware, candlesticks, lamps, bed covers, carpets and other home and office furnishings; organization of trade fairs for commercial or advertising purposes;
presentation of goods on communication media, for retail purposes; shop window dressing; systemization of information into computer databases; wholesale services in relation to furniture, mirrors, picture frames, pillows and cushions, mattresses, clothes hooks, coat hangers, coatstands, decorative wall plaques, not of textile, baskets, trays, works of art, containers for household use, glassware, porcelain and earthenware, candlesticks, lamps, bed covers, carpets and other home and office furnishings; wholesale services connected with the sale of furniture, mirrors, picture frames, pillows and cushions, mattresses, clothes hooks, coat hangers, coatstands, decorative wall plaques, not of textile, baskets, trays, works of art, containers for household use, glassware, porcelain and earthenware, candlesticks, lamps, bed covers, carpets and other home and office furnishings; mail order wholesale services connected to the sale of furniture, mirrors, picture frames, pillows and cushions, mattresses, clothes hooks, coat hangers, coatstands, decorative wall plaques, not of textile, baskets, trays, works of art, containers for household use, glassware, porcelain and earthenware, candlesticks, lamps, bed covers, carpets and other home and office furnishings.
computing devices comprised primarily of software and display screens for connection to computers, tablet computers, mobile devices, and mobile phones in order to enable virtual world experiences; goggles for enabling virtual world culture, music, concerts, food, style, apparel, toys, home office products, news, entertainment, education, cultural events, lifestyle and sports, and blogs about information relating to technology for delivering virtual world experience; apparatus for recording and other digital recording media, namely, audio recorders and video recorders; data processing apparatus; computer central processing units; computer software programs for transmitting, receiving, downloading, sharing, displaying, and interacting with audiovisual content, documents, files and data in the field of business and entertainment; wearable computing devices comprised primarily of software and display screens for connection to computers, tablet computers, mobile devices, and mobile phones in order to enable virtual world experiences; goggles for enabling virtual world experiences; 2-dimensional and 3-dimensional head-mounted video displays; human computer interface hardware, namely, headsets, remote control units, and wearable peripherals for connecting with computers and portable computers; human computer interface software for interacting with and transferring and receiving audio-visual content, documents, files, and data in the field of business and entertainment; computer hardware; video display hardware, video display software; near-eye display optics; virtual reality game software.

Cl.16; Comic books enhanced with specialized covers and content; graphic novels enhanced with specialized covers and content; printed entertainment publications, namely, books, newspapers, photographs, magazines and periodicals in the fields of virtual reality, augmented reality, computer hardware and software, technology, current events, medicine, culture, pop culture, music, concerts, food, style, apparel, toys, home office products, news, entertainment, education, cultural events, lifestyle and sports, and blogs about information relating to technology for delivering virtual world experience; printed educational publications, namely, books, magazines, periodicals and teaching materials in the fields of virtual reality, augmented reality, computer hardware and software, technology, current events, medicine, culture, pop culture, music, concerts, food, style, apparel, toys, home office products, news, entertainment, education, cultural events, lifestyle and sports, and blogs about information relating to technology for delivering virtual world experience; children's interactive educational books.

Cl.35; On-line retail store services featuring downloadable applications and entertainment, namely, recorded musical performances, live musical performances, recorded sports programming, live sports programming, major motion pictures, streaming audiovisual and multimedia content and educational programming; on-line advertising and marketing services; advertising and promotional services; Internet advertising services; digital advertising services; advertising and marketing; on-line advertising on a computer network.

Cl.38; Computer services, namely, providing on-line facilities for real-time interaction with other computer users concerning consumer product reviews, consumer product ratings, and consumer product recommendations; computer services, namely, providing on-line facilities for real-time interaction with other computer users concerning topics of general interest; computer services, namely, providing on-line forums for electronic transmission of messages among computer users concerning product reviews and product purchasing information; computer services, namely, computer aided transmission of text, static images, video and sound through a portable electronic device; streaming of television shows via a global computer network; web media services, namely, streaming of audio, visual and audiovisual material via a global computer network.

Cl.41; Entertainment services, namely, providing information relating to movies, television shows, music, magazines, books, audiobooks, and games; providing on-line publications featuring blogs and non-downloadable publications in the nature of books, magazines, brochures, pamphlets, newspapers, articles, manuals, newsletters, journals, workbooks, periodicals, and catalogs in the field of entertainment, accessible via a website; providing on-line publications, via a website, featuring non-downloadable series of fiction books and series of fiction audiobooks; providing on-line non-downloadable general feature magazines; entertainment services, namely, providing on-line non-downloadable musical performances and musical videos, accessible via a website; entertainment services, namely, providing on-line computer games; news reporting services featuring news and information in the field of entertainment relating to movies, television shows, music, magazines, books, audiobooks, entertainment based computer applications, games, entertainment based cloud computing, and entertainment information on the Internet; entertainment services, namely, providing on-line

Cl.9;Wearable computer hardware; computer software for recording, storing, transmitting, receiving, displaying and analyzing data from wearable computer hardware; scientific, photographic, cinematographic, optical, and teaching apparatus and instruments, namely, hardware and software for use in enabling computers, handheld consoles, tablet computers, mobile devices, and mobile phones to provide virtual world experiences; apparatus for recording and other digital recording media, namely, audio recorders and video recorders; data processing apparatus; computer central processing units; computer software programs for transmitting, receiving, downloading, sharing, displaying, and interacting with audiovisual content, documents, files and data in the field of business and entertainment; wearable computing devices comprised primarily of software and display screens for connection to computers, tablet computers, mobile devices, and mobile phones in order to enable virtual world experiences; goggles for enabling virtual world experiences; 2-dimensional and 3-dimensional head-mounted video displays; human computer interface hardware, namely, headsets, remote control units, and wearable peripherals for connecting with computers and portable computers; human computer interface software for interacting with and transferring and receiving audio-visual content, documents, files, and data in the field of business and entertainment; computer hardware; video display hardware, video display software; near-eye display optics; virtual reality game software.

Cl.16;Comic books enhanced with specialized covers and content; graphic novels enhanced with specialized covers and content; printed entertainment publications, namely, books, newspapers, photographs, magazines and periodicals in the fields of virtual reality, augmented reality, computer hardware and software, technology, current events, medicine, culture, pop culture, music, concerts, food, style, apparel, toys, home office products, news, entertainment, education, cultural events, lifestyle and sports, and blogs about information relating to technology for delivering virtual world experience; printed educational publications, namely, books, magazines, periodicals and teaching materials in the fields of virtual reality, augmented reality, computer hardware and software, technology, current events, medicine, culture, pop culture, music, concerts, food, style, apparel, toys, home office products, news, entertainment, education, cultural events, lifestyle and sports, and blogs about information relating to technology for delivering virtual world experience; children's interactive educational books.

Cl.28;Virtual reality headsets adapted for use in playing video games; apparatus for electronic games adapted for use with an external display screen or monitor; hand held units for playing electronic games adapted for use with an external display screen or monitor; hand held units for playing electronic games; electronic educational game machines for children; electronic games for the teaching of children.

Cl.35;On-line retail store services featuring downloadable applications and entertainment, namely, recorded musical performances, live musical performances, recorded sports programming, live sports programming, major motion pictures, streaming audiovisual and multimedia content and educational programming; on-line advertising and marketing services; advertising and promotional services; Internet advertising services; digital advertising services; advertising and marketing; on-line advertising on a computer network.

Cl.38;Computer services, namely, providing on-line facilities for real-time interaction with other computer users concerning consumer product reviews, consumer product ratings, and consumer product recommendations; computer services, namely, providing on-line facilities for real-time interaction with other computer users concerning topics of general interest; computer services, namely, providing on-line forums for electronic transmission of messages among computer users concerning product reviews and product purchasing information; computer services, namely, computer aided transmission of text, static images, video and sound through a portable electronic device; streaming of television shows via a global computer network; web media services, namely, streaming of audio, visual and audiovisual material via a global computer network.

Cl.41;Entertainment services, namely, providing information relating to movies, television shows, music, magazines, books, audiobooks, and games; providing on-line publications featuring blogs and non-downloadable publications in the nature of books, magazines, brochures, pamphlets, newspapers, articles, manuals, newsletters, journals, workbooks, periodicals, and catalogs in the field of entertainment, accessible via a website; providing on-line publications, via a website, featuring non-downloadable series of fiction books and series of fiction audiobooks; providing on-line non-downloadable general feature magazines; entertainment services, namely, providing on-line non-downloadable musical performances and musical videos, accessible via a website; entertainment services, namely, providing on-line computer games; news reporting services featuring news and information in the field of entertainment relating to movies, television shows, music, magazines, books, audiobooks, entertainment based computer applications, games, entertainment based cloud computing, and entertainment information on the Internet; entertainment services, namely, providing on-line
reviews of fiction and non-fiction books and movies, television shows, music, magazines, audiobooks, and games; rental of electronic books, films, movies, and pre-recorded videos that may be downloaded from a global computer network; entertainment services, namely, providing online non-downloadable comic books and graphic novels; publication of blogs on the Internet and provision of gaming and educational information in the field of technology for delivering virtual world experiences, such services accessible via a website; providing internally created instructional and educational information, accessible via a website, about virtual world experience games that are delivered by software and hardware technologies.

Cl.42; Computer services, namely, database design and development; providing temporary use of non-downloadable computer software for transmitting, sharing, receiving, downloading, displaying, interacting with and transferring content, text, visual works, audio works, audiovisual works, literary works, data, files, documents and electronic works; computer services, namely, computer aided graphic design; computer services, namely, providing information in the fields of technology and software development via a global computer network; computer technical support services, namely, troubleshooting in the nature of diagnosing computer hardware and software problems; computer services, namely, cloud hosting provider services; providing temporary use of on-line non-downloadable cloud computing software for use in electronic storage of data; computer services, namely, computer software development in the field of mobile applications; application service provider, namely, hosting, managing, developing, and maintaining applications, software, and web sites, in the fields of personal productivity, wireless communication, mobile, information access, and remote data management for wireless delivery of content to handheld computers, laptops and mobile electronic devices; providing temporary use of non-downloadable computer software for business, namely, software for connecting doctors with medical patients and providing medical information to doctors.
IR DIVISION

Cl.9; Automatic controls for irrigation sprinklers and sprinkler systems, namely mechanical controllers, electromechanical controllers, electrical controllers, computer controllers, clock timers, water timers, temperature responsive controllers, moisture responsive controllers; electric switches; electric solenoids, electric relays; electrical connectors; electric wire; photo cells; weather stations, comprising a rain gauge, solar radiation sensor, wind speed and relative humidity sensor combined as a unit; fluid meters and gauges, namely water meters, pilot tubes, pressure gauges, and rain gauges; solenoid and electrically operated remote control valves; audio recordings and audio video tape, namely audio cassette tapes and video tapes concerning sprinkler systems and irrigation; computers and computer programs for irrigation control; computers; radio control transceivers; surge protectors; transformers; thermometers; automatic controls for irrigation systems; irrigation controllers; environmentally responsive electronic controllers for irrigation systems; decoder controllers for irrigation systems; encoder modules and decoder circuits for operating electronic irrigation controllers; electrical and electronic station modules for expanding the zone operating capacity of electronic irrigation controllers; electronic control modules and electronic accessory components for electronic irrigation controllers; remote controls for irrigation systems; electric and electronic irrigation control panels; wireless electronic devices for use with irrigation controllers for controlling, operating, monitoring, managing, and/or analyzing irrigation systems and irrigation and other functions; timers; transceivers; transmitters of electronic, optical, digital, radio, and/or data signals; transformers; electric control valves for regulating the flow of liquids; solenoid valves; power supplies; software and computer hardware for controlling, monitoring and/or analyzing irrigation systems and environmental conditions; computer software and hardware for controlling, monitoring and/or analyzing irrigation systems, environmental data, and growing conditions; computer programs and instruction manuals in electronic format for use with controlling, operating, monitoring, managing, and/or analyzing irrigation systems; sensors for use with operating irrigation controllers and/or irrigation systems; pressure gauges; rain gauges; gauges for use with irrigation systems; surge protectors; electrical connectors; electrical switches; electrical wire; wire connectors; plug-in connectors; integrated circuit modules; automatic flow control valves; solar cells; anemometers; electric pressure relief valves for use with drainage pipes; timers; lighting controls; calculators; downloadable software in the nature of a mobile application for the control and monitoring of irrigation systems; sonic devices for algae control that prevent algae growth; water meters; audio and video recordings about irrigation, about irrigation systems and equipment, and about water usage, conservation, and management; downloadable educational course materials in the fields of water conservation and science; hydraulically operated remote control valves in the nature of automatic control valves; electric valve actuators; non-metal cabinets, housings, and boxes in the nature of containers specially adapted for housing irrigation controllers; oscillators.

Cl.11; Sprinkler systems and sprinklers therefor, namely impact and impulse drive sprinklers, pop-up sprinklers, ball drive sprinklers, turbine drive sprinklers, reaction drive sprinklers; oscillators; spray heads; bubblers; sprinkler nozzles; sprinkler supports and bases; drippers; emitters; soakers; spinner separators, sprinkler system filters and filter screens; faucet adapters; irrigation sprinklers; irrigation sprinkler structural parts; irrigation systems composed of irrigation sprinklers, valves, valve actuators, controllers, hoses and tubing, and/or other component and replacement parts therefor for watering or irrigation of agricultural crops, lawns, turf, horticultural and ornamental plants; lawn sprinkler systems comprising pumps, valves, and filters; irrigation systems comprising irrigation sprinklers, spray bodies, spray nozzles, water emitters, valves, valve actuators, electronic controllers, sensors, timers, irrigation piping and tubing, filters, and replacement parts therefor; dripper irrigation systems comprising irrigation tubing, water emitters, water bubblers, valves, valve actuators, filters, electronic controllers, sensors, and replacement parts therefor; valves being parts of irrigation systems and valve replacement parts therefor; valves being parts of sprinkler systems; valve actuators for use in irrigation systems; irrigation spray nozzles; irrigation spray bodies; sprinkler heads for irrigation sprinklers; rotors as component parts for irrigation sprinklers for controlling the direction of irrigation spray nozzles; irrigation emitters; irrigation bubblers; non-metal pipe and tube fittings as structural parts of irrigation systems; non-metal water distribution manifolds for irrigation systems; water filters; water filters and filtering devices for irrigation systems; irrigation system filters and filter screens; pressure regulators for irrigation systems; water filtering apparatus; water filtering units for commercial, municipal or industrial use; water purification and filtration apparatus; water purification, sedimentation and filtration apparatus for clarification, thickening and filtration of water, waste water and industrial water; non-metal cabinets, housings, and boxes in the nature of containers specially adapted for housing irrigation valves.

Cl.17; Lawn and garden equipment comprising non-metallic hose, tubing, pipe, pipe joint and couplings, hose
connectors, hose quick coupling connectors, hose repair couplings, riser pipes, pipe adapters; non-metal fittings, namely
drip fittings, barb fittings; non-metal compression fittings; non-metal hose and valve washers; non-metallic hoses and
flexible pipes; non-metal tubing; flexible tubes of plastic; non-metal hose fittings; irrigation hoses; non-metal tubing for
irrigation; watering hoses; plastic tubes used in drip irrigation systems; non-metal irrigation hose and tube lines, hoses
and drip tapes for drip irrigation; lawn hoses; irrigation hoses and tubing in the nature of polyethylene tubing for irrigation
use; irrigation hoses and tubing in the nature of non-metal irrigation tubing; irrigation hoses and tubing in the nature of
non-metal irrigation drip line tubing; irrigation hoses and tubing in the nature of non-metal irrigation tubing with emitters
built into the tubing.
